FOSTERING AND PROPELLING TECHNOLOGY

To align with modern aspirations that demand innovative solutions marks the narrative of an India and a world in flux, with evolution and empowerment at its core.

This narrative illuminates the essential connection between contemporary ambitions and the imperative for pioneering approaches, capturing the profound global shifts. It underscores the symbiotic relationship between forward-looking visions and the requirement for cutting-edge solutions, portraying a dynamic India and an evolving world embracing change while embracing newfound empowerment.

It has changed many traditional business model to adopt touch less transaction with customer.

A cohort of innovation streams - from AI to Blockchain to 3D printing, will redefine many other sectors even more dramatically. Large enterprises see opportunities in this disruption to outperform, not just in today's businesses, but also over longer horizons. Business and technology leaders in these enterprises need to become adept at managing innovation priorities, driving experimentation and scaling value creation on multiple fronts.

SILVER TOUCH TECHNOLOGIES Limited (NSE: SILVERTUC, BSE: 543525) is a surging information technology, consulting and business process services company. We harness the power of cognitive computing, hyper-automation, robotics, cloud, analytics and emerging technologies to help our clients adapt to the digital world and make them successful. We have launched Resilient IT Services post pandemic for our customers, which help them to reach out to customers, employees, supplier in better way. The new services offering is Enterprise Integration, which allows business to be more connected than before. With evolution of cloud and data as service, Integration has become key component to any business. A company recognized globally for its comprehensive portfolio of services, strong commitment to sustainability and good corporate citizenship, we have over 1500+ dedicated employees serving clients across three continents. Together, we discover ideas and connect the dots to build a better and a bold new future.

BUSINESS HIGHLIGHTS

Annual Report 2024-2025

Software Development

Silver Touch Technologies is a premier provider of custom software development and quality assurance services, offering innovative and scalable solutions across a wide spectrum of technology platforms. We cater to a diverse clientele, from growing mid-sized businesses to large-scale enterprises, delivering tailored digital solutions that address unique business challenges. With a strong foundation in industry-specific knowledge and a focus on technological excellence, we build software applications that drive real business impact. Our expertise spans across open-source technologies, e-Governance solutions, bespoke applications, ERP solutions, AI/ML, enterprise integrations, SaaS, and cloud-based solutions. By combining deep domain understanding with cutting-edge IT capabilities, we create value-driven products and services that align seamlessly with user expectations. At Silver Touch, we are committed to delivering high-quality, cost-effective, and reliable software solutions that meet the exact needs, timelines, and budgets of our clients.

With a unique combination of technology, domain we innovate solutions for your business needs expertise.

Automated Driving Test System (ADTS)

The Automated Driving Test System (ADTS) was developed and implemented for the Gujarat State Road Transport Corporation (GSRTC) to modernize and streamline the recruitment process for HMV/LMV drivers. This system enables candidates to register online, schedule appointments based on available slots, and undergo a comprehensive two-part driving test. The theory portion assesses knowledge of road signs and traffic rules through multiple-choice questions, while the practical test evaluates actual driving skills on a specialized track.

The practical driving test is conducted on a custom-built track featuring Hill Track, S-Track, Eight Track, and Reverse Parking Track. Each segment is equipped with advanced technologies such as RFID sensors, high-definition cameras, induction loops, and LED signals to capture and monitor every aspect of the candidate's performance. The system automatically records total and segment-wise time taken, face and seat belt detection, track violations, and signal obedience, ensuring objective evaluation.

Video analytics play a key role in ADTS by analyzing footage of each candidate's test to identify behavior patterns, performance issues, and rule violations. A Live Screen Monitoring interface allows examiners to observe candidates in real time and validate automated results. This combination of real-time tracking and post-test analysis provides a reliable and transparent assessment process, minimizing human bias and errors.

Silver Touch Technologies executed the infrastructure setup, installing all necessary hardware and systems including control tower components, CCTV systems, RFID units, signage kiosks, printers, and display units. The successful deployment of ADTS has resulted in over 95% automation of the driver testing process, significantly improving accuracy, efficiency, and client satisfaction.

Case Study

E-Governance Solutions

Silver Touch Technologies stands as a trusted leader in the e-Governance domain and is among the fastest-growing companies in this sector across India. We specialize in delivering next-generation e-Governance solutions that modernize legacy systems using the latest digital technologies offering unmatched flexibility, scalability, and efficiency.

Our solutions are designed to seamlessly integrate people, processes, and technology, thereby enabling transparent, efficient, and citizen-centric governance. With a strong track record of delivering complex, time-sensitive projects, we bring proven capabilities in custom software development, system integration, and backend operations.

Our expertise spans across key areas such as Smart Cities, Transport, Digital Governance, Single Window Systems, and Direct Benefit Transfer (DBT) Portals. We are especially focused on creating paperless offices, mobile-first G2B/G2C service delivery models, and platforms that support streamlined citizen engagement and administrative efficiency.

An Innovative Digital Platform for Urban Citizen Services in Gujarat

An integrated and citizen-centric initiative has been successfully implemented by Silver Touch Technologies Ltd. for the Gujarat Urban Development Mission (GUDM), under the Government of Gujarat, to establish and operate 88 City Civic Centers (CCCs) (66 centers in Phase I whereas 22 centers in Phase II) across various municipal towns in the state of Gujarat. These centers are designed to act as one-stop service hubs, enabling citizens to conveniently access various municipal and public utility services.

The scope of work involved the supply, development, installation, and commissioning of IT and non-IT infrastructure, including civil and electrical works, interior furnishings, computer systems, networking, token systems, help desks, visitor areas, and utility equipment at each Civic Center. The project also included the deployment of trained IT and non-IT manpower and the provision of comprehensive Facility Management Services (FMS) for a duration of five years from the go-live date.

The City Civic Centers are seamlessly integrated with the e-Nagar platform, offering a wide range of services such as Property Tax, Professional Tax, Vehicle Tax, Health and Hawker Licenses, Birth/Death Certificate issuance, Gumasthahara registration, Fire NOC, RTI filing, Hall Booking, and more. Citizens are guided through a structured service flow, from query handling, form submission, and document verification to payment and receipt collection and they are also supported by a token display system and designated service counters in order to avails various G-C services.

The entire project was inaugurated by the Hon'ble Chief Minister of Gujarat, reflecting the state's commitment to transparent, efficient, and inclusive urban governance. This transformation has resulted in improved access to municipal services, reduced administrative delays, enhanced service delivery transparency, and higher citizen satisfaction across all participating municipalities.

Case Study

System Integration & Cloud

AI-HPC Convergence at IPR with NVIDIA DGX A100 — Deployed by Silver Touch

The Institute for Plasma Research (IPR) is embracing next-generation technologies such as Artificial Intelligence (AI) and Deep Learning (DL) to enhance its research capabilities and accelerate innovation. As AI becomes increasingly central to scientific discovery, IPR recognized the need for a modern high-performance computing (HPC) environment capable of supporting compute-intensive AI workloads alongside traditional simulations and modelling.

IPR has partnered with Silver Touch to deploy AI HPC powered by NVIDIA DGX A100 Servers. IPR was facing challenge pertaining to CPU bottlenecks, Fragmented Systems and Inefficient GPU utilization while using certain AI based workload/application like Chest X-ray Analysis, EFG signal processing , Image and video analytics. To overcome this challenges, Silver Touch has deployed AI HPC solution which includes NVIDIA DGX A100 server which delivered petaflops of AI performance, Unified architecture to support AI and HPC workload, Multi-Instance HPU (MIG) for parallel workload to improve GPU efficiency, high-speed interconnects to support large-scale and multi-node deployment.

The deployment of DGX based AI HPC Solution, IPR has realized benefits like Accelerated AI model development, Seamless convergence of AI and traditional HPC, Scalable performance, Enhanced resource utilization. The HPC solution combines the power of HPC supercomputing with the intelligence of AI. This convergence is enabling faster discoveries, better insights, and a platform for continuous innovation in critical domains such as healthcare and life sciences.

Case Study

SAP and Odoo Services

SAP is the world's leading ERP platform which is highly configurable, feature-rich, and adaptable to a wide range of industries and business processes. With over a decade of successful implementations and deep expertise across diverse industry verticals, Silver Touch delivers SAP and Odoo services that help businesses stay ahead of market trends, regulatory requirements, and technological advancements.

We offer comprehensive services including consultation, implementation, upgrades, global rollouts, migrations, and ongoing support. Our team enables organizations to maximize ROI and fully leverage their ERP investments across sectors such as retail, fashion, manufacturing, consumer products, wholesale distribution, pharmaceuticals, and life sciences.

Embracing modern SAP solutions like RISE with SAP, Grow with SAP, and the SAP Business Technology Platform (BTP), we

empower enterprises to accelerate digital transformation, drive innovation, and enhance operational agility.

This year, Silver Touch has launched key digital assets including Customer and Vendor Portals, cloud-based platforms, and analytics solutions. We've also introduced advanced enterprise tools such as SalesCRM, Procure-to-Pay (P2P), and Invoice Processing Systems, designed to streamline workflows and boost organizational efficiency.

Our experienced consultants bring strong technical capabilities and industry knowledge, ensuring that clients extract maximum value from their ERP systems. From initial planning to final delivery, our end-to-end services ensure seamless execution and long-term project success.

Case Study

During the year, we successfully onboarded 11 new clients across the USA, UK, and India, spanning key sectors such as Pharmaceuticals, Manufacturing, FMCG, Woven Geotextiles, Fertilizers, Fabrication, Construction, Agriculture, and Cosmetics. Through our automation solutions, Silver Touch is positioned to drive operational efficiency and deliver measurable ROI for these organizations in the years ahead.

Silver Touch Technologies partnered with a leading consumer-packaged goods (CPG) manufacturer to integrate SAP Business One with the SPS Add-On, streamlining key operations such as automated order creation, order processing, inventory management, invoicing, sales order tracking, and financial workflows. This integration has positioned the manufacturer for scalable growth by enabling the efficient handling of increasing order volumes and expanding their customer base with ease. The solution has significantly enhanced operational and financial visibility, empowered informed decision-making, and driven improved business outcomes.

AI-Driven Analytics for Government Organizations

Government agencies struggle with managing and analyzing large data sets, leading to inefficiencies. AI-powered analytics streamline decision-making and enhance productivity.

The solution features a natural language interactive interface, allowing users to ask questions related to their data. The AI system then automatically generates SQL queries to retrieve relevant information from databases, making the process quick and intuitive. In addition to automating reporting, the solution helps prioritize tasks, enabling government agencies to make informed decisions in real-time.

By streamlining task management and optimizing resource allocation, the AI technology ensures the timely completion of critical tasks. Furthermore, the AI analytics solution seamlessly integrates with existing government task management systems, connecting to the current database with minimal disruption and enhancing the capabilities of established processes

Key Features

- **Real-Time Data Analysis:** Provides instant insights for proactive decision-making.
- **Automated Reporting:** Reduces manual effort and enhances data-driven strategies.
- **Task Prioritization:** Uses AI algorithms to rank critical tasks

Key Benefits

- **Faster Decision-Making:** Real-time insights improve responsiveness.
- **Increased Productivity:** Automates tasks to free up resources.
- **Cost Reduction:** Optimizes resource allocation and reduces expenses.

AI-Powered Chatbot for Aaple Sarkar Grievance Portal

Aaple Sarkar needed a Chatbot to facilitate grievance tracking and provide instant assistance. The AI-driven Chatbot enhances user experience by ensuring seamless grievance status retrieval

Core Features

- **Intelligent Data Scraping:** Automatically updates grievance records.
- **Real-Time API Fetching:** Connects to official databases for live status updates.
- **Conversational AI:** Engages users with clarifying questions.
- **Text-to-Speech:** Supports Hindi, Marathi, Gujarati, and English

Integration with Existing Systems

- **Portal Embedding:** Integrates with the Aaple Sarkar grievance website.
- **Secure Data Exchange:** Ensures compliance with government security standards.
- **User-Centric Deployment:** Minimal IT effort required for setup and maintenance

Automated Invoice Process using AI & RPA

In today's rapidly evolving business environment, marked by increasing operational demands and a relentless push for efficiency, organizations are compelled to prioritize cost optimization and process transformation. Key business functions are significantly impacted by resource constraints and high volumes of transactional data. Manual handling of these processes not only results in delays but also compromises accuracy and compliance. Robotic Process Automation (RPA) has emerged as a critical enabler, offering the ability to automate repetitive, rule-based tasks across enterprise systems. With over 38% of global enterprises now identifying process automation as a top strategic focus, the adoption of AI-driven RPA solutions has become more vital than ever before.

AP Invoice Processing

Silver Touch Technologies has implemented AI Integrated Robotic Process Automation (RPA) Bots to streamline the Accounts Payable (AP) Invoice Processing for one of its esteemed clients using SAP Business One (SAP B1), ensuring efficiency, scalability, and accuracy. The client faced challenges dealing with bulk invoice extraction, 3-way matching, and manual posting to ERP—tasks that were both time-consuming and prone to errors.

Bulk invoices from multiple vendors in varied formats and languages made manual validation against purchase orders and receipts complex. To overcome these challenges, Silver Touch developed a powerful AI-integrated interface backed by Azure-based cognitive services.

The AI-powered interface enables users to upload invoices into a specific folder or allows the bot to monitor designated email inboxes to fetch incoming invoices. These invoices are then automatically processed using Azure-based AI models to intelligently extract relevant data, such as vendor name, invoice amount, date, PO number, and line items. The interface also provides the user with an option to verify and correct any inaccuracies in the extraction.

Once approved by the user, the bot performs a 3-way match and initiates an API call to post the invoice into SAP B1 as a Draft entry. This draft can then be reviewed and approved by authorized finance personnel, ensuring compliance and financial governance.

The solution handles multiple formats, supports bulk processing, and creates audit trails for every invoice. It flags unmatched records for manual review and enables dynamic, rules-based approval workflows, ensuring accuracy and accelerating the entire invoice processing cycle.

By implementing this AI-powered automation solution, the client can now process over 25,000 invoices each month with 98% accuracy in data extraction. This has led to faster, more accurate processing and a significant boost in the efficiency of the Accounts Payable team.

Automated Bid Tracking and Management

Case Study

Silver Touch Technologies has implemented Robotic Process Automation (RPA) Bots to automate the end-to-end bid tracking and monitoring process for an international client, ensuring accuracy, resilience, and real-time visibility. The client faced ongoing challenges in manually tracking bids across a centralized e-tendering portal due to CAPTCHA barriers, session timeouts, interrupted workflows, and lack of consistent data continuity—leading to missed opportunities, critical data loss, and increased operational effort.

To address these challenges, Silver Touch developed a robust, AI-enabled automation solution capable of handling complex portal navigation, bid categorization, and accurate data extraction. The solution integrates web automation, OCR-based CAPTCHA decoding, and self-healing mechanisms to ensure uninterrupted and precise operations.

The bot begins by securely logging into the portal using an embedded OCR engine to decode CAPTCHAs. It identifies and segregates participated bids (product and service-based) and ongoing bids, and processes each category through structured flows tailored for optimal performance. The bot is also equipped with a recovery mechanism to resume from the last processed batch or page in case of any interruptions, ensuring zero data duplication or loss.

Bid data (IDs, categories, deadlines, status) is extracted in real time, stored centrally, and compiled into automated HTML reports sent via Outlook, ensuring timely, informed decisions. Key features of the solution include CAPTCHA handling using AI-powered OCR, batch-wise processing, modular error recovery, state management via SQL, and automated email reporting. These capabilities make the solution resilient to system failures and scalable for expanding bid categories.

By deploying this intelligent RPA system, the client now operates with high data accuracy, seamless bid lifecycle tracking, and significantly reduced manual effort. The solution has improved monitoring efficiency, eliminated missed bids, and empowered stakeholders with real-time bid insights, setting a new standard for automation in public-sector procurement.

Ai4Pharma Tech Ltd., a pioneering venture of Silver Touch in domain-specific artificial intelligence for the pharmaceutical industry, marked a significant milestone this year with the official launch of its flagship platforms, CHATGMP™ and BatchSmart™. These AI-driven applications are purpose-built to support pharmaceutical companies in enhancing quality, accelerating batch release processes, and ensuring robust regulatory compliance. Developed with deep industry insight, both solutions reflect Ai4Pharma's mission to transform how life sciences organizations operate in today's complex regulatory environment.

CHATGMP™, a domain-trained AI platform, empowers pharma professionals with real-time insights, contextual analysis, and comprehensive summaries drawn from a vast curated database that include over 88,000 FDA inspections, 48,000+ citations, and more than 1,000 FDA warning letters. It streamlines compliance-related queries, dramatically reduces time spent on data analysis, and improves decision-making accuracy. BatchSmart™ complements this by revolutionizing manual batch record reviews, offering dashboards for quality and operations leaders, and ensuring error identification and faster, compliant batch releases across multi-plant operations.

Together, these innovations reinforce Ai4Pharma's commitment to helping the pharmaceutical sector deliver life-saving medicines with greater speed, efficiency, and confidence while maintaining the highest standards of regulatory alignment and quality assurance. With several AI-powered tools in the pipeline, Ai4Pharma continues to lead the way in intelligent pharma transformation.

29 YEARS

YEAR JOURNEY WELL - TRAVELLED

What began as a bold dream shared by four engineering graduates in 1995 has evolved into a legacy of innovation and growth. Silver Touch Technologies started its journey with limited resources but an unwavering commitment to making a mark in the emerging IT landscape. Over the past 29 years, we have continually reinvented ourselves by transforming from a small computer sales and maintenance outfit into one of Gujarat's foremost information technology companies, now recognized across India and globally for our diversified capabilities.

What started as a business focused on computer sales and maintenance has since evolved into a diversified and future-ready Information Technology solutions provider. Through decades of consistent innovation and strategic foresight, we have built a robust portfolio that caters to a wide range of clients across industries and geographies. In the last five years, we strategically diversified our offerings and expanded our footprint beyond Gujarat, establishing strong operations in major cities like New Delhi and Mumbai. Our growth trajectory has been further accelerated through key domestic and international collaborations, enabling us to deliver projects in the USA, UK, France, Australia, the Middle East, Germany, and beyond.

Today, Silver Touch stands as a trusted partner in digital transformation, offering end-to-end IT services that are aligned with global standards and tailored to meet evolving client needs.

In 1995, we began our journey with 4 friends unraveling their entrepreneurial spirit and enthusiasm after completing their engineering in information technology and allied faculties.

MAJOR MILESTONES

Annual Report 2024-2025

ISO 9001 Certification

1995 - 2000

- Received 1st order from Government of Gujarat
- Solution development for Y2K
- T5P Empanelment
- ISO 9001: 2008 Quality Certification

Strategic Milestones & Global Partnerships

2001 - 2010

- Premier Partnerships with IBM and Microsoft
- Empaneled with Government of Gujarat
- Launched Vision 2000 Accounting & Share Transfer Software
- CMMi Level 3 quality certification
- Exhibited at CeBIT International Trade Fair
- Secured first offshore orders from Europe & USA
- Started UK Operations
- Delivered IITS project for Legal Department

CMMi Level 5 Certification

2011 - 2016

- Received CMMi level 5 certification
- Received ISO 27001 & ISO 2000 certification
- Setup branches/offices in New Delhi & Mumbai
- Commenced operations in the USA through a WHO subsidiary
- Executed multiple orders of INR 100 mn+
- Begin ODC operations in USA, Europe

Maiden listing in NSE Emerge

2017 - 2020

- Maiden Listing in the Indian Capital Market (NSE Emerge) on 01st December, 2017
- Milestone of Revenues surging INR 2000 mn+
- RPA Services initiated Silver Touch TechLab building skills for Digital Transformation
- Solution Building with AI/ML & Deep learning
- Industry 4.0 automating manufacturing industry with IoT Solution

IoT Solutions for Industry 4.0

2020 - 2021

- Setup of Private Data Centre in UK
- First large scale project Go Live in IoT and beacon technology
- Partnering with Open Source ERP solution Odoo for better customer reach
- Partnership with SAP S4/HANA in UK for serving Enterprise customers in Life science and High Tech space
- Partnership with NVIDEA for offering AI/ML infrastructure to Education, Research, Pharmaceuticals & Life Science business vertical.

Where new-age aspirations necessitate new-age solutions. It is the story of a changing India. Evolving and empowered.

Partnership
with SAP Success Facto

Acquisition
of SAP Gold Partner in USA

AI Products & Services

Ai4Pharma Tech Limited Incorporated

2021 - 2022

- Setup of 100% owned subsidiary in Toronto, Canada named Silver Touch Technologies Canada Limited
- Setup of Private Data Centre in India
- Acquisition of marquee customer in SAP Enterprise Software Services – India's largest integrated steel plant
- First large scale project Go Live in IoT and beacon technology
- Partnership with SAP Success Facto in UK for serving Enterprise customers in Life science and High Tech space

2022 - 2023

- Operations started in Toronto, Canada.
- Partnered with Odoo in India, USA, Canada and UK.
- Major RPA Partnership and Cloud Partnership in North America.
- Partnership with NVIDIA for offering AI/ML infrastructure to Education, Research, Pharmaceuticals & Life Science business vertical.

2023 - 2024

- AI Products & Services
- Developed AI Solution for Driving skill Assessment
- Leverage IITGN Hub
- Developed Enterprise chatbot with Generative AI & LLM
- MOU with Government of Gujarat for providing AI skill training

2024 - 2025

- Ai4Pharma Tech Limited incorporated
- 50+ Cr. Rs. Single Order Received
- Gen AI Products
- SAP GROW Partner in USA

CHARTING NEW PATH

Continue with Growth Momentum

- Continue to grow in e-governance vertical, software services , ERP and System Integration
- Continue to grow in strategic business locations like Mumbai and Delhi
- Focus on high value, high margin business in Government and private sectors.
- Growing in new area like Cloud hosting and AI solutions
- Growing presence in North America with strong Canadian operation

Enter into more Strategic Partnership

- To forge strategic partnership with leading digital transformation solution provider and cloud services provider.
- To forge strategic partnership with leading SaaS companies, AI and GPU cloud
- VentureLab Partnership for AI
- Incepta Canada Strategic Partnership

Develop strong practice in Digital Transformation

- Embrace artificial intelligence based solution with industry verticals like pharmaceuticals, transportation, logistics, banking and finance.
- Develop Solution based on computer vision technology for image and video processing.
- Develop strong service offerings in relative Robotic Process Automation (RPA) with Automation Anywhere & Uipath
- Develop strong service offerings in AI/ML, big data analytics for text, image & video processing with NVIDEA
- Develop Cloud practice with Industry leaders like Microsoft Azure, Amazon AWS, Oracle Cloud

Overseas Business Expansion

- Focus on UK , Canada & USA for business expansion.
- Focus to acquire more customers in product engineering and offshore development centre (ODC) UK , EU and US Region.

WHAT WE DO- PACE

Process Automation

- Business Process Automation
- Business Process Optimization
- CMMI-5 Compliant process
- Process Discovery
- Industry 4.0- Automating Manufacturing

Availability

- Disaster recovery Services
- Infrastructure Services
- Resilient Services

Continuity

- Application Development
- Managed IT Services
- Virtualization
- Cloud
- Business Continuity Services DC/DR Setup

Enhancement

- Domain Expertise
- AI Product Development
- Application Modernization
- Cloud Migration
- Enterprise Applications
- Digital Transformation

11. To increase the borrowing limits of the board of directors under Section 180 of the Companies Act, 2013.

To consider and, if thought fit, to pass the following resolution as **Special Resolution**:

“RESOLVED THAT, in supersession of the earlier Special Resolution passed by the Shareholders of the Company at the Twenty-Fifth (25th) Annual General Meeting held on 19th September, 2019 and pursuant to the provisions of Section 180(1)(c) and other applicable provisions, if any, of the Companies Act, 2013 (‘Act’) (including any statutory modifications or re-enactment thereof for the time being in force), and the Articles of Association of the Company, and based on the recommendation of the Audit Committee and as per the approval of Board of Directors of the Company (hereinafter referred to as the ‘Board’ which term shall include any Committee constituted by the Board to exercise its powers, including powers conferred by this resolution), the consent of the Shareholders of the Company be and is hereby accorded to the Board to borrow from time to time any sum or sums of monies (fund based and non-fund based facilities), the proposal to authorize the Board to borrow from time to time such sum or sums of monies (whether fund-based or non-fund-based facilities), at its discretion for the purpose of the business of the Company, from any one or more Banks and/ or Financial Institutions and/or any other lending institutions in India or abroad and/or Bodies Corporate or other entities or any individual, not limited to by way of loan (secured/unsecured), commercial paper, term loan, financing or bill discounting, advance, Inter- Corporate loans & advances or loans, bonds, debentures, external commercial borrowings, financial or credit facility, or other debt instruments, or otherwise and with or without security and in Indian Rupees and/or in any foreign currency from time to time, as its discretion and upon such terms and conditions as may be considered suitable by the Board, provided that the monies to be borrowed together with the monies already borrowed by the Company (apart from temporary loans obtained or to be obtained from the Bankers of the Company in the ordinary course of business) may exceed the aggregate of the paid- up share capital, free reserves and its securities premium of the Company, provided that the total amount so borrowed by the Board shall not at any time exceed a sum of ₹150.00 Crores (Rupees One Hundred and Fifty Crore Only).

“RESOLVED FURTHER THAT, for the purpose of giving effect to this resolution, the Board of Directors of the Company or the Chief Financial Officer or the Company Secretary be and are hereby severally authorized to do and perform all such acts, deeds, matters and things, and to execute all such documents, instruments and writings, as may be necessary, desirable or expedient in connection therewith.”

“RESOLVED FURTHER THAT, a certified true copy of this resolution be provided to all concerned parties and authorities, under the signature of any one of the Directors or the Company Secretary of the Company.”

12. To approve creation of charge on movable and immovable properties of the company both present and future, in respect of borrowing under section 180(1)(a) of the companies act, 2013:

To consider and, if thought fit, to pass the following resolution as **Special Resolution**:

“RESOLVED THAT pursuant to the provisions of Section 180(1)(a) and any other applicable provisions, if any, of the Companies Act, 2013 (“Act”) read with applicable rules framed thereunder (including any statutory amendment, modification or re-enactment thereof, for the time being in force), and rules made thereunder and applicable regulations framed by Securities Exchange Board of India, applicable provisions of Foreign Exchange Management Act, 1999 read with rules or regulations framed thereunder, enabling provisions and pursuant to the Articles of Association of the Company and such other applicable laws and regulations and subject to the permissions, approvals, consents and sanctions as may be necessary to be obtained from appropriate authorities, to the extent applicable and wherever, based on the recommendation of Audit Committee and as per the approval of Board of Directors of the Company, the consent of the Shareholders of the Company be and is hereby accorded to the Company to empower the Board of Directors (hereinafter referred to as ‘the Board’ which term shall be deemed to include, unless the context otherwise requires, any Committee, which the Board may have constituted or hereinafter constitute or any officer(s) authorized by the Board or Committee to exercise the powers conferred on the Board by this Resolution) to create such charges, mortgages, hypothecations, pledge, security, on such terms as the Board may determine, in addition to the existing mortgages/ hypothecations/ charges/ pledge/ security, if any, already created by the Company, in such manner as may be determined, on all or any of the moveable and/ or immoveable properties, tangible or intangible assets of the Company, both present and future and/or the whole or any part of undertaking(s) of the Company, and in such manner as the Board may deem fit, together with the power to take over the substantial assets of the Company in certain events in favour of banks/financial institutions, other investing agencies, any individual or bodies/ trustees, other entities for the holders of debentures/ bonds/other instruments to secure rupee/foreign currency loans and/or the issue of debentures (comprising fully / partly convertible Debentures and / or Non-Convertible Debentures, on all or any of the above, with or without detachable or non-detachable warrants and / or secured premium notes and / or floating rate notes / bonds (including Masala Bonds) or other debt instruments) issued / to be issued by the Company from time to time, to or in favor

of the Bank(s), Lender(s), Agent(s), bodies/ trustee(s) or any other person(s)/bodies corporate by way of private placement or otherwise (hereinafter collectively referred to as “Lenders”), for securing the borrowings already availed/ to be availed by the Company by the way of loan(s) from time to time, shall not exceed at any time a sum equivalent to Rs 150.00 Crores (Rupees One Hundred and Fifty Crores Only) together with interest at the respective agreed rates, additional interest, compounded interest, in case of default accumulated interest, liquidated damages, commitment charges, premium on prepayment, remuneration of the Agents / Trustee, premium (if any) on redemption, all other costs, charges and expenses as a result of devaluation / revaluation / fluctuation in the rates of exchange and all other monies payable by the Company in terms of the Loan Agreement(s) / Trust Deeds(s) / other Agreement(s) / any other documents, entered into / to be entered into between the Company and the Lender(s) / Agent(s) and Trustee(s), in respect of the said loans / borrowings / debentures / bonds or working capital facilities or other securities and containing such specific terms, conditions and covenants in respect of enforcement of security as may be stipulated in that behalf from time to time;

RESOLVED FURTHER THAT the securities to be created by the Company as aforesaid may rank prior with the charges/ mortgages/ hypothecations/ pledge/ security or already created or to be created in future by the Company or in such other manner and ranking as may be thought expedient by the Board and as may be agreed to between the concerned parties;

RESOLVED FURTHER THAT the consent of the Shareholders of the Company be and is hereby accorded to the Board of Directors or Chief Financial Officer or officials (powers conferred by authority letter or Power of Attorney) of the Company to finalize, settle, and execute such documents/deeds/writings/papers/agreements as may be required and to do all such acts, deeds, matters and things, as it may in its absolute discretion deem necessary, proper or desirable and to settle any question, difficulty or doubt that may arise in regard to creating mortgages/charges as aforesaid;

RESOLVED FURTHER THAT all actions taken by the Board in connection with any matter referred to or contemplated in this resolution, be and are hereby approved, ratified and confirmed in all respects.”

NOTES:

1. The Ministry of Corporate Affairs (“MCA”), vide its General Circulars No. 14/2020 dated 8th April, 2020, 17/2020 dated 13th April, 2020, 20/2020 dated 5th May, 2020, 02/2021 dated 13th January, 2021, 21/2021 dated 14th December, 2021, 03/2022 dated 5th May, 2022, 11/2022 dated 28th December, 2022, 09/2023 dated 25th September, 2023 and 09/2024 dated 19th September, 2024 (collectively referred to as “MCA Circulars”) and the Securities and Exchange Board of India (“SEBI”), vide its circulars dated 12th May, 2020, 15th January, 2021, 13th May, 2022, 5th January, 2023, 7th October, 2023 and 3rd October, 2024 (collectively referred to as “SEBI Circulars”), has permitted companies to conduct their Annual General Meetings (“AGMs”) through Video Conference (“VC”) or Other Audio Visual Means (“OAVM”) without the physical presence of members at a common venue, up to 30th September, 2025.

Accordingly, in compliance with the provisions of the Companies Act, 2013 (“the Act”), the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulations”), the MCA Circulars, and the SEBI Circulars, the 31st AGM of the Company is being held through VC/OAVM. The Members can attend and participate in the AGM through VC/OAVM.
2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM/EGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting’s agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the EGM/AGM will be provided by CDSL.
3. The Members can join the EGM/AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the EGM/AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration

Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the EGM/AGM without restriction on account of first come first served basis.

4. The attendance of the Members attending the AGM/EGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, , the facility to appoint proxy to attend and cast vote for the members is not available for this AGM/EGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM/EGM through VC/OAVM and cast their votes through e-voting.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM/EGM has been uploaded on the website of the Company at www.silvertouch.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively. The AGM/EGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM/EGM) i.e. www.evotingindia.com.
7. The AGM/EGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circulars and SEBI Circulars referred above, valid up to 30th September, 2025.

THE INSTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

- Step 1** : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.
- Step 2** : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.
- (i) The voting period begins on Saturday, 23rd August, 2025 at 09.00 AM and ends on Monday, 25th August, 2025 at 05.00 PM. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 19th August, 2025 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

STEP 1: ACCESS THROUGH DEPOSITORIES CDSL/NSDL E-VOTING SYSTEM IN CASE OF INDIVIDUAL SHAREHOLDERS HOLDING SHARES IN DEMAT MODE.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

IMPORTANT NOTE: Members who are unable to retrieve User ID/ Password are advised to use Forget User ID and Forget Password option available at abovementioned website.

Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository i.e. CDSL and NSDL

Login type	Helpdesk details
Individual Shareholders holding securities in Demat mode with CDSL	Members facing any technical issue in login can contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or contact at toll free no. 1800 21 09911
Individual Shareholders holding securities in Demat mode with NSDL	Members facing any technical issue in login can contact NSDL helpdesk by sending a request at evoting@nsdl.co.in or call at: 022 - 4886 7000 and 022 - 2499 7000

STEP 2: ACCESS THROUGH CDSL E-VOTING SYSTEM IN CASE OF SHAREHOLDERS HOLDING SHARES IN PHYSICAL MODE AND NON-INDIVIDUAL SHAREHOLDERS IN DEMAT MODE.

- (i) Login method for e-Voting and joining virtual meetings for **Physical shareholders and shareholders other than individual holding in Demat form.**
- 1) The shareholders should log on to the e-voting website www.evotingindia.com.
 - 2) Click on “Shareholders” module.
 - 3) Now enter your User ID
 - a. For CDSL: 16 digits beneficiary ID,
 - b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
 - c. Shareholders holding shares in Physical Form should enter Folio Number registered with the Company.
 - 4) Next enter the Image Verification as displayed and Click on Login.
 - 5) If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier e-voting of any company, then your existing password is to be used.
 - 6) If you are a first-time user follow the steps given below:

For Physical shareholders and other than individual shareholders holding shares in Demat.	
PAN	Enter your 10-digit alpha-numeric *PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders) Shareholders who have not updated their PAN with the Company/Depository Participant are requested to use the sequence number sent by Company/RTA or contact Company/RTA.
Dividend Bank Details OR Date of Birth (DOB)	Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login. If both the details are not recorded with the depository or company, please enter the member id / folio number in the Dividend Bank details field.

(ii) After entering these details appropriately, click on “SUBMIT” tab.

(iii) Shareholders holding shares in physical form will then directly reach the Company selection screen. However, shareholders holding shares in demat form will now reach ‘Password Creation’ menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.

(iv) For shareholders holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.

- (v) Click on the EVSN for the relevant **“SILVER TOUCH TECHNOLOGIES LIMITED”** on which you choose to vote.
- (vi) On the voting page, you will see **“RESOLUTION DESCRIPTION”** and against the same the option **“YES/NO”** for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- (vii) Click on the **“RESOLUTIONS FILE LINK”** if you wish to view the entire Resolution details.
- (viii) After selecting the resolution, you have decided to vote on, click on **“SUBMIT”**. A confirmation box will be displayed. If you wish to confirm your vote, click on **“OK”**, else to change your vote, click on **“CANCEL”** and accordingly modify your vote.
- (ix) Once you **“CONFIRM”** your vote on the resolution, you will not be allowed to modify your vote.
- (x) You can also take a print of the votes cast by clicking on **“Click here to print”** option on the Voting page.
- (xi) If a demat account holder has forgotten the login password then Enter the User ID and the image verification code and click on **Forgot Password & enter the details as prompted by the system.**
- (xii) There is also an optional provision to upload BR/POA if any uploaded, which will be made available to scrutinizer for verification.
- (xiii) **Additional Facility for Non – Individual Shareholders and Custodians –For Remote Voting only.**
 - Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodians are required to log on to www.evotingindia.com and register themselves in the **“Corporates”** module.
 - A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.
 - After receiving the login details a Compliance User should be created using the admin login and password. The Compliance User would be able to link the account(s) for which they wish to vote on.
 - The list of accounts linked in the login will be mapped automatically & can be delink in case of any wrong mapping.
 - It is Mandatory that, a scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.

- Alternatively, Non-Individual shareholders are required mandatory to send the relevant Board Resolution/ Authority letter etc. together with attested specimen signature of the duly authorized signatory who are authorized to vote, to the Scrutinizer and to the Company at the email address viz; cs@silvertouch.com , if they have voted from individual tab & not uploaded same in the CDSL e-voting system for the scrutinizer to verify the same.

The shareholders who do not wish to speak during the AGM but have queries may send their queries in advance **7 days prior to meeting** mentioning their name, demat account number/folio number, email id, mobile number at (company email id). These queries will be replied to by the company suitably by email.
8. Those shareholders who have registered themselves as a speaker will only be allowed to express their views/ask questions during the meeting.
9. Only those shareholders, who are present in the AGM/EGM through VC/OAVM facility and have not casted their vote on the Resolutions through remote e-Voting and are

otherwise not barred from doing so, shall be eligible to vote through e-Voting system available during the EGM/AGM.

10. If any Votes are cast by the shareholders through the e-voting available during the EGM/AGM and if the same shareholders have not participated in the meeting through VC/OAVM facility, then the votes cast by such shareholders may be considered invalid as the facility of e-voting during the meeting is available only to the shareholders attending the meeting.

PROCESS FOR THOSE SHAREHOLDERS WHOSE EMAIL/MOBILE NO. ARE NOT REGISTERED WITH THE COMPANY/DEPOSITORIES.

1. For Physical shareholders- please provide necessary details like Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self-attested scanned copy of PAN card), AADHAR (self-attested scanned copy of Aadhar Card) by email to **Company/ RTA email id.**
2. For Demat shareholders -, Please update your email id & mobile no. with your respective **Depository Participant (DP)**
3. **For Individual Demat shareholders – Please update your email id & mobile no. with your respective Depository Participant (DP) which is mandatory while e-Voting & joining virtual meetings through Depository.**

If you have any queries or issues regarding attending AGM & e-Voting from the CDSL e-Voting System, you can write an email to helpdesk.evoting@cdslindia.com or contact at toll free no. 1800 21 09911

All grievances connected with the facility for voting by electronic means may be addressed to Mr. Rakesh Dalvi, Sr. Manager, (CDSL,) Central Depository Services (India) Limited, A Wing, 25th Floor, Marathon Futurex, Mafatlal Mill Compounds, N M Joshi Marg, Lower Parel (East), Mumbai - 400013 or send an email to helpdesk.evoting@cdslindia.com or call toll free no. 1800 21 09911.

EXPLANATORY STATEMENT

[Pursuant to Section 102 of the Companies Act, 2013]

A Statement setting out material facts pursuant to the provisions of Section 102(1) of the Companies Act, 2013 (the “Act”) in respect of special businesses set out at **Item No. 5, 6, 7, 8, 9, 10, 11 & 12 of the Notice** is annexed hereto.

ITEM NO. 5: APPOINTMENT OF M/S SANDIP SHETH & ASSOCIATES AS SECRETARIAL AUDITORS

Pursuant to Section 204 of the Companies Act, 2013 (‘the Act’) the Company has to annex to its Board’s Report a Secretarial Audit Report given by a practicing company secretary in the format as may be prescribed. Rule 9 of the Companies (Appointment and Remuneration) Rules 2014 prescribes Form MR-3 for the said Secretarial Audit Report. Further, Section 179 of the Act read with Rule 8 of the Companies (Meetings of Board and its Powers) Rules, 2014 provide that the appointment of Secretarial Auditor shall be made by the Board at the meeting of the Board.

SEBI vide its notification dated 12th December, 2024 amended Regulation 24A of the SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015 (the Listing Regulations). The Amended regulation read with the SEBI circular no. SEBI/HO/CFD/CFDPoD-2/CIR/P/2024/185 dated 31st December, 2024 (the Circular) have *inter-alia* prescribed the term of appointment/re-appointment, eligibility, qualifications and disqualifications of Secretarial Auditor of a Listed Company.

As per the amended Regulation 24A of the Listing Regulations, the Company and its material unlisted subsidiary company incorporated in India (if any) is required to undertake Secretarial Audit by a Secretarial Auditor who shall be a Peer Reviewed Company Secretary and annex a Secretarial Audit Report in such form as specified by SEBI, with the annual report of the Company.

Pursuant to the amended Regulation 24A of the Listing Regulations, w.e.f. 01st April, 2025, every Listed Company on the recommendation of the Board of Directors shall appoint or re-appoint:

1. an Individual as Secretarial Auditor for not more than one term of five consecutive years
or
2. a Secretarial Audit firm as Secretarial Auditor for not more than two terms of five consecutive years with the approval of its shareholders in its Annual General Meeting.

In accordance with the above, the Board of Directors at its meeting held on 31st July, 2025 considered, approved and recommended to the Shareholders of the Company for their approval, the appointment of M/S Sandip Sheth & Associates, a firm of Company Secretaries in practice, (Firm Registration Number: P2001GJ041000), as Secretarial Auditors of the Company at the ensuing 31st Annual General Meeting for a term of 5 consecutive Years, to conduct Secretarial Audit of five consecutive financial years from 1st April, 2025 till 31st March, 2030 (**the Term**) and issue of (i) the Secretarial Audit Report under Section 204 of the Act for the Term and

(ii) the Secretarial Audit Reports under Regulation 24A(1)(a) of the Listing Regulations for the Term.

The Board of Directors have approved that in addition to issuing the Secretarial Audit Report the Secretarial Auditors shall also issue to the Company

- (i) the Secretarial Compliance Report under Regulation 24A(2) of the Listing Regulations for the Term
- (ii) the Compliance certificate regarding compliance of conditions of corporate governance as may be required under Para E of Schedule V of the Listing Regulations for the Terms and
- (iii) the certificate on qualification of the directors as may be required under sub-clause (i) of clause 10 of Paragraph C of Schedule V of Listing Regulations for the Term and
- (iv) such other certificates or reports or opinions which can be issued by the Secretarial Auditors under Applicable Laws.

M/s Sandip Sheth & Associates have consented to the said appointment and confirmed that their appointment, if made, would be within the limit specified by the Institute of Companies Secretaries of India. They have further confirmed that they are not disqualified to be appointed as Secretarial Auditors in term of provisions of the Companies Act, 2013, the Companies Secretaries Act, 1980 and Rules and Regulations made thereunder and the SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015 and the Circular.

Brief profile of M/s. Sandip Sheth & Associates, Company Secretaries in practice as under:

- The terms of re-appointment and remuneration package of Mr. Vipul Haridas Thakkar have been enumerated above. All the relevant documents are available for inspection by the members of the Company at the Registered office of the Company between 11.00 a.m. to 1.00 p.m. on all working days except Saturdays, Sundays and Public Holidays.
- The required disclosure to the shareholders of the Company about remuneration package of the managerial personnel and all elements of remuneration package such as salary, benefits, bonuses, stock options, pensions etc., of all the directors; details of fixed component and performance linked incentives along with the performance criteria; Service contract, notice period, severance fees; has been made in the Annual Report of the Company for the Financial Year 2024-25, wherever applicable.
- Re-appointment of Mr. Vipul Thakkar as a Managing Director of the Company, requires special majority of the members under Sections 196, 197 & 198 read with provisions of sub-clause (A) of section II of part II of Schedule V of the Companies Act, 2013. Consequently, the Board of Directors of the Company recommends the aforesaid Special Resolution for the approval of the Members. The Company has not made any default in repayment of any of its debts (including public deposits) or debentures or interest payable thereon in terms of the proviso of sub clause (ii) of Section II of Part II of Schedule V of the Companies Act, 2013.

- Except Mr. Vipul Haridas Thakkar, none of the other Directors or Key Managerial Personnel (KMP) or relatives of directors and KMP are concerned or interested in the Resolution financial or otherwise, except in their capacity as a member of the Company and thus recommend your acceptance thereof in the interest of the Company.

ITEM NO. 7: RE-APPOINTMENT OF MR. JIGNESH AMRATLAL PATEL (DIN: 00170562) AS THE WHOLE TIME DIRECTOR OF THE COMPANY

Mr. Jignesh Amratlal Patel (DIN 00170562) was appointed as a Whole Time Director of the company at their Board meeting held on 10th August, 2022 to hold office for a period of 3 (Three) years w.e.f. 1st April, 2023 to 31st March, 2026 on the terms & conditions recommended by the Nomination and Remuneration Committee in their meeting held on 10th August, 2022 which was also approved by the Members at the 28th Annual General Meeting of the Company held on 19th September, 2022.

Further, the members at the 28th Annual General Meeting held on 19th September, 2022 had approved revision in remuneration payable to Mr. Jignesh Amratlal Patel during his tenure as the Managing Director of the Company from 1st April, 2023 to 31st March, 2026.

The term of appointment of Mr. Jignesh Amratlal Patel as Whole Time Director of the Company is expiring on 31st March, 2026.

The Board at its meeting held on Thursday, 31st July, 2025, based on the recommendation of Nomination and Remuneration Committee and subject to approval of the members, re-appointed Mr. Jignesh Amratlal Patel as Whole Time Director of the Company for further term of 3 (three) years commencing from 1st April, 2026. The Board further approved that the terms and conditions of re-appointment of Mr. Jignesh Amratlal Patel shall continue to be same.

Brief profile of Mr. Jignesh Amratlal Patel including the nature of expertise in specific functional area

The success of a visionary can only be realized through well managed operations, and that's exactly what Jignesh Patel brings to Silver Touch. He is Diploma in electronics engineering. He started his career at HCL Ltd. and then joined with other founding directors of Silver Touch to create the venture from the formative stage. From a humble beginning of hardware and software sales, today Silver Touch has reached its present mature stature due to Mr. Patel's efforts and hard work with large clients, always seeking to understand their requirements and creating optimal solutions. Mr. Patel specializes in designing and implementing large networks including LAN and WAN. His passion is to grow big by maintaining the highest possible quality, which has made Silver Touch a premium Business Partner of IBM, CISCO, Microsoft, Oracle and SAP.

Mr. Jignesh Patel has overall experience of 27 years in IT infrastructure sales & service.

Details as required under Regulation 36(3) of SEBI (LODR) Regulations, 2015 and Secretarial Standard on General Meeting (SS-2) with respect to re-appointment of Mr. Jignesh Amratlal Patel as Whole Time Director is given in the ANNEXURE- 1 to this Notice.

II. INFORMATION ABOUT THE APPOINTEE DIRECTOR:

Sr No.	Particulars	Mr. Jignesh Amratlal Patel (DIN 00170562)
1.	Background Details	Mr. Jignesh A. Patel, a Diploma holder in Electronics Engineering, is a seasoned professional with over 27 years of experience in IT infrastructure sales and service. As a Promoter and Director of Silver Touch, he has been instrumental in transforming the company from its inception—starting with hardware and software sales—into a mature enterprise known for delivering high-quality solutions. Beginning his career at HCL Ltd., Mr. Patel joined the founding team of Silver Touch, bringing visionary leadership and operational expertise. He specializes in designing and implementing large-scale LAN and WAN networks and has played a pivotal role in establishing Silver Touch as a premium business partner of industry giants like IBM, CISCO, Microsoft, Oracle, and SAP. His relentless focus on understanding client needs and maintaining the highest standards of quality has been key to the company’s sustained growth and success
2.	Past Remuneration	Remuneration paid for the Financial Year 2024-25 was Rs. 7,00,000 Per Month.
3.	Recognition or Awards	While Mr. Jignesh A. Patel has not received any awards in his personal capacity, his visionary leadership and relentless efforts have played a pivotal role in securing numerous prestigious awards and recognitions for the Company. These achievements have significantly contributed to shaping the Company’s legacy and have facilitated its seamless entry into global markets.
4.	Job Profile and his suitability	Mr. Jignesh A. Patel is exceptionally suited for a senior strategic leadership position at Silver Touch Technologies Ltd., owing to his

		diversified expertise across technology, finance, administration, and corporate governance. With over 27 years of hands-on experience in IT infrastructure sales and service, coupled with a foundational background in electronics engineering, he brings a holistic understanding of both the technical and operational dimensions of the business. His journey from the early days of hardware and software sales to shaping Silver Touch into a premium technology partner of global giants like IBM, CISCO, Microsoft, Oracle, and SAP reflects his visionary mindset and executorial excellence. Mr. Jignesh A. Patel has varied experience relating to finance, accounts, Collection Management, Corporate Marketing and effective policy formulations for efficient and smooth running of the Company. He has been looking after the Financial Intricacies and has involved himself in the overall administration of the Company.
5.	Remuneration Proposed	As mentioned in the abstract of remuneration given in the preceding paras.
6.	Comparative remuneration profile with respect to industry, size of the company, profile of the position and person.	The proposed remuneration for Mr. Jignesh A. Patel is considered fair and appropriate, taking into account his qualifications, extensive industry experience, and demonstrated leadership capabilities. He has been re-appointed as the Whole Time Director - having superintendence and control of the Board of Directors of the Company to carry out such duties on day to day basis as entrusted to him The remuneration structure is aligned with prevailing industry benchmarks and is commensurate with the scale, complexity, and growth trajectory of the Company. It reflects a balanced approach to rewarding executive performance while maintaining long-term shareholder value.
7.	Pecuniary relationship directly or indirectly with the company, or relationship with the managerial personnel, if any	Mr. Jignesh Amratlal Patel, is the promoter cum Whole Time Director of the Company and holds equity shares under the Category of Promoter and Promoter Group of the Company.

		Shareholding as on 31 st March, 2024: 20.72% No. of shares: 26,27,710 Equity Shares
--	--	---

III. **OTHER INFORMATION:**

1.	Reasons of loss or inadequate profits.	Though, the company has made reasonable profit during the period ended on 31.03.2025 as per the industry norms, however as per calculation of profit u/s. 198 such profits are inadequate to remunerate such managerial personnel.
2.	Steps taken or proposed to be taken for improvement	The management is actively implementing various strategic and operational initiatives aimed at enhancing the Company’s overall profitability. These efforts are expected to yield positive outcomes, and the management remains confident that such measures will lead to sustained improvement in the Company’s financial performance.
3.	Expected increase in productivity and profits in measurable terms.	The Company anticipates a positive trajectory in both revenue and profitability, driven by the planned expansion of its production capacities. Additionally, it expects to achieve strong growth in export turnover, supported by robust demand and favorable market dynamics in the Information Technology and Computer Hardware sectors. These forward-looking initiatives are aligned with the Company’s strategic focus on value creation and long-term shareholder returns.

IV. **DISCLOSURES:**

It reflects a balanced approach to rewarding

		executive performance while maintaining long-term shareholder value.
7.	Pecuniary relationship directly or indirectly with the company, or relationship with the managerial personnel, if any	Mr. Himanshu Jain, is the Whole Time Director of the Company and holds 30,000 equity shares.

III. **OTHER INFORMATION:**

1.	Reasons of loss or inadequate profits.	Though, the company has made reasonable profit during the period ended on 31.03.2025 as per the industry norms, however as per calculation of profit u/s. 198 such profits are inadequate to remunerate such managerial personnel.
2.	Steps taken or proposed to be taken for improvement	The management is actively implementing various strategic and operational initiatives aimed at enhancing the Company’s overall profitability. These efforts are expected to yield positive outcomes, and the management remains confident that such measures will lead to sustained improvement in the Company’s financial performance.
3.	Expected increase in productivity and profits in measurable terms.	The Company anticipates a positive trajectory in both revenue and profitability, driven by the planned expansion of its production capacities. Additionally, it expects to achieve strong growth in export turnover, supported by robust demand and favorable market dynamics in the Information Technology and Computer Hardware sectors. These forward-looking initiatives are aligned with the Company’s strategic focus on value creation and long-term shareholder returns.

IV. **DISCLOSURES:**

- The terms of re-appointment and remuneration package of Mr. Himanshu Jain (DIN 00454477) has been enumerated above. All the relevant documents are available for inspection by the members of the Company at the Registered office of the Company between 11.00 a.m. to 1.00 p.m. on all working days except Saturdays, Sundays and Public Holidays.
- The required disclosure to the shareholders of the Company about remuneration package of the managerial personnel and all elements of remuneration package such as

salary, benefits, bonuses, stock options, pensions etc., of all the directors; details of fixed component and performance linked incentives along with the performance criteria; Service contract, notice period, severance fees; has been made in the Annual Report of the Company for the Financial Year 2024-25, wherever applicable.

- Re-appointment of Mr. Himanshu Jain (DIN 00454477) as a Whole Time Director of the Company, requires special majority of the members under Sections 196, 197 & 198 read with provisions of sub-clause (A) of section II of part II of Schedule V of the Companies Act, 2013. Consequently, the Board of Directors of the Company recommends the aforesaid Special Resolution for the approval of the Members. The Company has not made any default in repayment of any of its debts (including public deposits) or debentures or interest payable thereon in terms of the proviso of sub clause (ii) of Section II of Part II of Schedule V of the Companies Act, 2013.
- Except Mr. Himanshu Jain, none of the other Directors or Key Managerial Personnel (KMP) or relatives of directors and KMP are concerned or interested in the Resolution financial or otherwise, except in their capacity as a member of the Company and thus recommend your acceptance thereof in the interest of the Company.

ITEM NO. 11: TO APPROVE THE INCREASE IN BORROWINGS IN EXCESS OF PAID-UP CAPITAL AND FREE RESERVES

Provisions of Section 180(1)(c) of the Companies Act, 2013 read with the Rules, if any, made there under (“the Act”) provide that the Board of Directors of the Company shall not, except with the consent of Members by Special Resolution, borrow money together with the monies already borrowed, if any (apart from temporary loans obtained from the Company’s bankers in the ordinary course of business), exceeding the aggregate of its paid up capital, free reserves and securities premium.

The shareholders of the Company passed special resolution at the 25th Annual General Meeting of the Company dated 19th September, 2019 had accorded their consent to the Board of Directors to borrow and create charges/mortgages/hypothecations in respect of the Company’s borrowings up to an amount Rs. 1,50,00,00,000/- (Rupees One Hundred Fifty Crore Only). Additionally, the company can borrow up to its paid-up capital and free reserves or through temporary loans of short-term nature.

The Board of Directors of the Company envisages requirement of funds in future to support the business operations of the Company and accordingly, it is proposed to increase the maximum long-term borrowing limit with the consent of the Shareholders in the General Meeting by a Special Resolution, borrow the monies apart from temporary loans (loans viz., means loans repayable on demand or within six months from the date of the loan such as short-term, cash credit arrangements, the discounting of bills and the issue of other short-term loans of a seasonal character, but does not include loans raised for the purpose of financial expenditure of a capital nature) where the monies to be borrowed together with the monies already

borrowed shall not at any time exceed Rs. 1,50,00,00,000/- (Rupees One Hundred Fifty Crores Only) from banks, Financial Institution(s), foreign lender(s), anybody corporate entity(ies), authority(ies) or other entities in the ordinary course of business. Hence your approval is sought, to authorize the Board to borrow monies as aforesaid borrowings limits.

In order to pursue the growth plans of the Company, it is proposed to enhance the Company's borrowing limits (excluding any temporary loans) and consequent limits of charge creation/ mortgages shall not at any time exceed Rs. 1,50,00,00,000/- (Rupees One Hundred Fifty Crores Only).

Keeping in view the future plans of the Company, as a measure of achieving greater financial flexibility and to enable optimal financing structure to take care of expected business and growth plans of the Company, the Board of Directors in its meeting held on 31st July, 2025 has approved borrowings which shall not at any time exceed the limit of Rs. 1,50,00,00,000/- (Rupees One Hundred Fifty Crores Only) and also to create charge on the assets of the Company to secure the said borrowings and proposed seeking the Shareholders approval for giving authorization to Board of Directors under Section 180(1)(c) of the Companies Act, 2013.

The Company intends to borrow from time to time, any sum or sums of monies (fund based and non-fund-based facilities) at its discretion from any one or more Banks and/ or Financial Institutions and/or any other lending institutions or other entities in India or abroad and/or Bodies Corporate, any individual with or without security and upon such terms and conditions as may be considered suitable by the Company.

None of the Directors or Key Managerial Personnel or their relative(s) is / are in any way concerned or interested, in passing of the above-mentioned resolution 5 except to the extent of their Directorships and Shareholding in the Company (if any).

The consent of the Shareholders is sought for passing a Special Resolution as set out at Item No. 11 of this Notice, in relation to the details as stated above and thus the Board of Directors recommends the said Resolution for the approval of the Shareholders of the Company as a Special Resolution.

ITEM NO. 12: TO APPROVE CREATION OF CHARGE ON MOVABLE AND IMMOVABLE PROPERTIES OF THE COMPANY BOTH PRESENT AND FUTURE, IN RESPECT OF BORROWING UNDER SECTION 180(1)(A) OF THE COMPANIES ACT, 2013

According to the provisions of Section 180(1)(a) of the Act, creation of charge, mortgage or hypothecation on the assets of the Company in connection with borrowing as mentioned in Item No. 5 above shall require approval of Shareholders by Special Resolution.

In view of the Company proposal, subject to the approval of the Shareholders, to borrow up to an amount Rs. 1,50,00,00,000/- (Rupees One Hundred Fifty Crores Only) by way of fund based and non-fund based facilities from any one or more Banks any individual and/ or Financial Institutions and/or any other lending institutions or other entities in India or abroad and/or

Bodies Corporate, whether by way of loan, commercial paper, term loan, financing or bill discounting, advance, inter-corporate bonds, debentures, external commercial borrowings, financial or credit facility, or other debt instruments, or otherwise requires to be secured by way of charge through lien / hypothecation / mortgage / pledge / security over all or any part of the movable and / or immovable asset of the Company.

The provisions of Section 180 (1) (a) of the Act, states that the mortgage or charge on all or any part of the movable and /or immovable asset of the Company, may be deemed as disposal of the whole, or substantially the whole, of the undertaking of the Company and hence the approval of the Shareholders of the Company is required by way of a Special Resolution as set out at Item No. 6 of the Notice.

Further, in order to secure the borrowings, the Company may be required to create security by way of mortgage/ charge/ hypothecation on its assets and properties both present and future. The terms of such security may include a right in certain events of default, to take over control of the said assets and properties of the Company. Since creation of charge on properties and assets of the Company with the right of taking over the control in certain events of default may be considered to be a sale/ lease/ disposal of the Company's undertaking within the meaning of Section 180(1) (a) of the Companies Act, 2013, it is proposed to seek approval of the shareholders of the Company for limits not exceeding to Rs. 1,50,00,00,000/- (Rupees One Hundred Fifty Crores Only).

None of the Directors or Key Managerial Personnel or their relative(s) is / are in any way concerned or interested, in passing of the above-mentioned resolution no. 6 except to the extent of their Directorships and Shareholding in the Company (if any).

The consent of the Shareholders is sought for passing a Special Resolution as set out at Item No. 12 of this Notice, in relation to the details as stated above and thus the Board of Directors recommends the said Resolution for the approval of the Shareholders of the Company as a Special Resolution.

4. OVERALL PERFORMANCE: The company has delivered **exceptional financial performance** in FY 2024–25, with:

- Strong double-digit growth in **revenues and profits**
- Significant improvement in **operating margins (EBITDA)**
- Enhanced **returns to shareholders** through rising EPS
- Continued investments visible through higher depreciation and finance costs

The rising finance costs suggest that the company is in a **growth phase**, possibly investing in infrastructure, capacity expansion, or new ventures. Yet, it has managed to maintain and even improve profitability, reflecting **strong management execution and strategic clarity**.

BOARD GOVERNANCE

Board governance refers to the overall framework that defines the structure and functioning of the Board of Directors. It encompasses key aspects such as the composition and roles of the Board, Chairman, and individual Directors; Board diversity; criteria for independence; tenure and retirement policies; and the formation of various Board committees. It also includes processes related to the nomination, appointment, induction, and development of Directors, as well as their remuneration. Additionally, it involves oversight of subsidiary performance, adherence to the code of conduct, and continuous evaluation of Board effectiveness.

BOARD DIVERSITY

The company acknowledges the importance of board diversity and has established guidelines to ensure a range of perspectives, including diverse thoughts, knowledge, skills, regional and industry experience, cultural and geographical background, gender, age, ethnicity, and race. These guidelines are aligned with applicable laws and regulations and the company’s specific business needs.

DECLARATIONS GIVEN BY INDEPENDENT DIRECTORS

Your Company has received necessary declarations and disclosures from its Independent Directors under Section 149(7) and Section 184(1) of the Act stating that they meet the criteria of independence

as laid down in Section 149(6) of the Companies Act, 2013 and Regulation 16 of the SEBI Listing Regulations and have disclosed their interest in the Form MBP-1. All the Directors have certified that they are not disqualified under section 164 of the Act. The Independent Directors have complied with the Code for Independent Directors prescribed in Schedule IV of the Act.

The Board of the Company has taken the disclosures on record after verifying the due veracity of the same.

In the opinion of the Board, all the Independent Directors possess the integrity, expertise and experience including the proficiency required to be Independent Directors of the Company, fulfil the conditions of independence as specified in the Act and the SEBI Listing Regulations and are independent of the management and have also complied with the Code for Independent Directors as prescribed in Schedule IV of the Act. All the Independent Directors of the Company are also registered with the databank of Independent Directors as required under the provisions of the Companies Act, 2013.

COMPLIANCE WITH CODE OF CONDUCT

All Board members and Senior Management Personnel have affirmed their compliance with the Company's Code of Conduct for Financial Year 2024-25.

A declaration to this effect signed by the Managing Director & CEO is included in this Report.

COMPLIANCE WITH SECRETARIAL STANDARDS

The Company has complied with the Secretarial Standards ('SS') i.e., SS-1 and SS-2 issued by the Institute of Company Secretaries of India on Meetings of the Board of Directors and General Meetings respectively during the financial year ended 2024-25.

DIRECTORS' RESPONSIBILITY STATEMENT

In accordance with the provision of section 134(3)(c) of the Act and based on the information provided by the Management, the directors state that:

- in the preparation of the annual accounts, the applicable Accounting Standards have been followed along with proper explanation relating to material departures;
- they have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent, so as to give a true and fair view of the state of affairs of the Company at the end of Financial Year 2024-25 and of the profit of the Company for that period;
- they have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- they have prepared the annual accounts on a going concern basis;
- they have laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and were operating effectively; and
- they have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

BOARD COMMITTEES

The company has established Six (6) committees in accordance with the requirements of the Act, its associated rules, and the Listing Regulations. Detailed information regarding these committees can be found in the corporate governance report forming part of this annual report. The following committees were active during the Financial Year 2024-25.

Details of Committees along with their terms of reference, composition and attendance of Members at the meeting of the Committees are provided in the Corporate Governance Report.

BOARD COMMITTEES AND NUMBER OF MEETINGS

Sr. No.	Name of Committee	Number of Meetings held during the year
1	Audit Committee	4
2	Nomination and Remuneration Committee	3
3	Stakeholders Relationship Committee	3
4	Corporate Social Responsibility Committee	2
5	Internal Complaint Committee	-
6	Tender and Finance Committee	11

The report on corporate governance provides detailed information about these meetings, including those of other committees, their dates, and the attendance of individual directors.

COMMITTEE RECOMMENDATIONS

During the year, recommendations of all the Committees constituted by the Board were in accordance with the Act and the same were accepted by the Board.

BOARD PROCESSES, PROCEDURES AND PRACTICES

The Company places strong emphasis on maintaining a diverse and knowledgeable Board that actively contributes toward realizing its vision. It follows structured processes and established best practices to ensure effective leadership and sound decision-making.

The Board’s functioning encompasses key procedural elements such as circulation of agendas, convening of meetings, decision-making during meetings, finalization of minutes, and oversight of Board committees. The Company consistently adheres to industry best practices in organizing and conducting meetings of the Board and its committees.

In compliance with regulatory requirements, the Company ensures that a minimum of four Board meetings are held annually, with the interval between any two consecutive meetings not exceeding 120 (One Hundred Twenty) days. Notices, detailed agendas, and relevant supporting materials are circulated in advance to all Directors. In exceptional circumstances, documents may be tabled during the meeting with the Board’s approval, enabling timely and informed deliberations.

Board meetings are designed to promote open, balanced, and constructive discussions, with the Chairman ensuring that adequate time is allocated for the consideration of strategic matters.

The Company provides the information as set out in Regulation 17 read with Part - A of Schedule II of the Listing Regulations, to the Board and the Board Committees to the extent it is applicable and relevant. Such information is submitted either as a part of the agenda papers in advance of the respective meetings by way of presentation and discussions during the Meetings. With the unanimous

consent of the Board, all Unpublished Price Sensitive Information (UPSI) is circulated to the Board at a shorter notice before the commencement of the meeting securely.

ANNUAL EVALUATION OF THE BOARD & INDIVIDUALS ON ITS PERFORMANCE AND COMMITTEES

In accordance with the provisions of the Companies Act, 2013 and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Board undertook an annual performance evaluation of its own functioning, that of individual Directors, including Independent Directors, as well as its various Committees—namely the Audit Committee, Nomination and Remuneration Committee, Stakeholders Relationship Committee, Corporate Social Responsibility Committee, Internal Complaint Committee and Tender, Investment and Finance Committee. The evaluation process, details of which are provided in the Corporate Governance Report, was conducted using a structured questionnaire designed separately for the Board, its Committees, the Chairman, and individual Directors.

The assessment covered key parameters such as Board effectiveness, transparency and quality of discussions, information flow between management and Directors, Board dynamics, composition, and Directors’ understanding of their roles and responsibilities. Committee performance was evaluated based on their effectiveness in discharging their respective mandates. The performance of individual Directors was also assessed through peer evaluation, focusing on their participation in deliberations, knowledge of relevant matters, and awareness of evolving trends. The performance evaluation of the Chairman was carried out by the Independent Directors at a separate meeting in line with the applicable regulatory requirements.

FAMILIARIZATION PROGRAMMES

To ensure that the Board of Directors remains well-informed and actively engaged, the Company has instituted a structured and ongoing Familiarization Programme. This programme is aimed at enhancing Directors’ understanding of the Company’s business model, industry landscape, regulatory environment, and strategic direction.

Upon their appointment, every Director is issued a formal letter of appointment that clearly defines their roles, responsibilities, and expectations. The Familiarization Programme is particularly beneficial for Independent Directors, providing them with comprehensive insights into the Company’s operations, organizational structure, key policies, and long-term vision.

Directors are continuously updated on significant developments including operational performance, market trends, regulatory changes, strategic initiatives, and potential risks. These interactions are designed to facilitate a holistic understanding of the Company’s functioning and to enable informed decision-making at the Board level.

Further, the Company ensures that all Directors are given full access to information, documents, and management personnel as required, thereby empowering them to discharge their duties effectively.

The detailed policy on the familiarization program is available on the website at <https://www.silvertouch.com/investors/>.

COMPANY’S POLICY OF APPOINTMENT OF DIRECTOR’S AND KEY MANAGERIAL PERSONNEL

In pursuance of the Company’s policy to consider human resources as its invaluable assets, to pay equitable remuneration to all Directors, Key Managerial Personnel (‘KMP’) and employees of the

Company, to harmonize the aspirations of human resources consistent with the goals of the Company and in terms of the provisions of the Companies Act 2013, this policy on nomination and remuneration of Directors, Key Managerial Personnel and Senior Management has been formulated by the Nomination and Remuneration Committee and approved by the Board of Directors.

The policy is available on the Company's website at <https://www.silvertouch.com/investors/>.

WHISTLE BLOWER POLICY / VIGIL MECHANISM

Pursuant to the provisions of Section 177(9) & (10) of the Act and Regulation 22 of the SEBI Listing Regulations read with all applicable law, the Company has formed Vigil Mechanism or Whistle Blower Policy. The company has implemented a whistleblower policy to allow employees and directors to safely and confidentially report concerns about workplace issues that negatively affect their work environment. The Policy/Vigil Mechanism enables directors, employees and other persons to report their concerns about unethical behaviour, actual or suspected fraud or violation of the Company's Code of Conduct or ethics policy and leak or suspected leak of unpublished price sensitive information. During the year under review, there were no complaints received under the above mechanism nor was any employee denied access to the Audit Committee.

The brief detail about this mechanism may be accessed on the Company's website at the web link at <https://www.silvertouch.com/investors/>.

CYBER SECURITY

In view of increased cyber-attack scenarios, the cyber security maturity is reviewed periodically and the processes, technology controls are being enhanced in-line with the threat scenarios. Your Company's technology environment is enabled with real time security monitoring with requisite controls at various layers starting from end user machines to network, application and the data.

CODE FOR PREVENTION OF INSIDER TRADING

Your Company has adopted a Code of Conduct ("Code") to regulate, monitor and report trading in Company's shares by Company's designated persons and their immediate relatives as per the requirements under the Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015. The Code, inter alia, lays down the procedures to be followed by designated persons while trading/ dealing in Company's shares and sharing Unpublished Price Sensitive Information ("UPSI"). The Code covers Company's obligation to maintain a digital database, mechanism for prevention of insider trading and handling of UPSI, and the process to familiarize with the sensitivity of UPSI. Further, it also includes code for practices and procedures for fair disclosure of unpublished price sensitive information which has been made available on the Company's website on <https://www.silvertouch.com/investors/>.

PARTICULARS OF EMPLOYEES

The information required under Section 197(12) of the Act read with Rule 5(1) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, is enclosed as **"Annexure – B"**.

ACCEPTANCE OF PUBLIC DEPOSITS

During the financial year ended 2024-25, Your Company has not accepted any deposits from the public falling within the purview of provisions of Section 73 of the Companies Act, 2013 ('the Act'), read with the Companies (Acceptance of Deposits) Rules, 2014. Hence, the requirement for furnishing of details of deposits and deposits which are not in compliance with Chapter V of the Act as required under Rule 8 (5)(v) of the Companies (Accounts) Rules, 2014 is not applicable.

PARTICULARS OF LOANS, GUARANTEES AND INVESTMENTS

The details of loans, investment, guarantees and securities covered under the provisions of section 186 of the Companies Act, 2013 are provided in Note no. 9 of the Financial Statements.

RELATED PARTY TRANSACTIONS

All related party transactions entered into during the financial year were in the ordinary course of business and conducted on an arm’s length basis, in line with the Company’s Policy on Related Party Transactions. These transactions were placed before the Board of Directors and the Audit Committee for review and approval, wherever required, at the beginning of the financial year. A statement of all Related Party Transactions was placed before the Audit Committee for its review on a quarterly basis, specifying the nature and value of the transactions.

The Company did not enter into any material related party transactions during the year under review, as defined under Section 188 of the Companies Act, 2013 read with the Companies (Meetings of Board and its Powers) Rules, 2014. Accordingly, the disclosure of particulars of such transactions in Form AOC-2, as prescribed under Rule 8(2) of the Companies (Accounts) Rules, 2014, is not applicable.

The particulars of contracts or arrangements entered into with the related party are set out in Note 36(d) to the Standalone Financial Statements of the Company forming part of the Annual Report. The Company in terms of Regulation 23 of the SEBI Listing Regulations submits within the stipulated time from the date of publication of its standalone and consolidated financial results for the half year, disclosures of related party transactions to the stock exchanges, in the format specified in the relevant accounting standards and SEBI.

CORPORATE SOCIAL RESPONSIBILITY (CSR)

As on 31st March 2025, the CSR committee comprised of Three (3) directors viz., Mr. Vipul Haridas Thakkar (DIN: 00169558) as Chairman, Mr. Jignesh Amratlal Patel (DIN: 00170562), and Mr. Apurva Damani (DIN: 03280309) as members.

Detailed information on CSR Policy, its salient features, CSR initiatives undertaken during the year, details pertaining to spent and excess spent amount forms part of ‘Annual Report on CSR activities’ as Annexure C.

The CSR policy has been hosted on the website of the Company and can be accessed at <https://www.silvertouch.com/investors/>.

STATUTORY AUDITORS

M/s Ambalal Patel & Co, Chartered Accountants, (ICAI Firm Registration No. 100305W) were appointed as the Statutory Auditors of the Company by the members of the Company at the 29th (Twenty Ninth) Annual General Meeting (‘AGM’) of the Company held on 20th Day of September, 2023 to hold office upto the conclusion of the 34th Annual General Meeting to be held in the year 2028. They have confirmed that they are not disqualified from continuing as the Statutory Auditors of the Company.

The Auditors’ Report on the Financial Statements (Standalone and Consolidated) of the Company for the financial year ended 2024-25, “with an unmodified opinion”, as given by the Statutory Auditors, is disclosed in the Financial Statements forming part of this Annual Report. The Auditors’ Report on financial statements of the Company for the year ended March 31, 2025 does not contain any qualifications, reservations or adverse remarks.

SECRETARIAL AUDITORS

In terms of Section 204 of the Companies Act, 2013 and Rules made there under, M/s Sandip Sheth & Associates, Company Secretaries, Ahmedabad, was appointed as a Secretarial Auditor of the Company to undertake the Secretarial Audit of the Company for Financial Year 2024-25. The report issued by the Secretarial Auditor is enclosed as “Annexure – D”.

⇒ During the period under review Promoters/Designated Persons have executed trades in the securities of the Company, which is required to be disclosed under regulation 7(2) of the

SEBI (PIT) Regulations, 2015 as a part of continual disclosure. Provisions reads as “Every promoter , [member of the promoter group], [designated person] and director of every company shall disclose to the company the number of such securities acquired or disposed of within two trading days of such transaction if the value of the securities traded, whether in one transaction or a series of transactions over any calendar quarter, aggregates to a traded value in excess of ten lakh rupees or such other value as may be specified”.

During the period under review, certain trades in the securities of the Company by the Promoters were not disclosed to the Company within the prescribed timeline under Regulation 7(2) of the SEBI (Prohibition of Insider Trading) Regulations, 2015. This resulted in a delay in compliance with the disclosure requirements.

Action taken: Upon receipt of the delayed intimation, the Company promptly made the necessary disclosures to the stock exchange in accordance with the applicable regulations. The Promoters were appropriately guided regarding the importance of timely disclosure of trades within two trading days, as mandated under the SEBI (PIT) Regulations, 2015. The Company remains committed to ensuring continued compliance and strengthening internal awareness protocols to avoid recurrence.

The requirement of conducting Secretarial Audit was not applicable to any of the subsidiaries of the Company during the financial year ended 2024-25.

Further, the Board of Directors at their meeting held on 31st January, 2025 have appointed **M/s Sandip Sheth & Associates**, Practicing Company Secretaries for conducting Secretarial Audit of the Company for the financial year 2024-25.

INTERNAL AUDITORS

In terms of Section 138 of the Companies Act, 2013 and Rules made there under, **M/s Rajiv Ahuja & Associates**, Chartered Accountants, were appointed as Internal Auditors of the Company to undertake the Internal Audit of the Company for Financial Year 2024-25. During the year, the Company continued to implement its suggestions and recommendations to improve the control environment. Their scope of work included, review of processes for safeguarding the assets of the Company, review of operational efficiency, effectiveness of systems and processes, and assessing the internal control strengths in all areas.

Further, the Board of Directors at their meeting held on 8th May, 2024 have appointed M/s Rajiv Ahuja & Associates, Chartered Accountants, for conducting Internal Audit of the Company for the financial year 2024-25.

REPORTING OF FRAUDS BY AUDITORS

During the financial year ended 2024-25, neither the statutory auditors nor the secretarial auditor has reported to the Audit Committee, under Section 143 (12) of the Companies Act, 2013, any instances of fraud committed against the Company by its officers or employees.

COST RECORDS AND COST AUDIT REPORT

The maintenance of cost records and requirement of cost audit as prescribed under the provisions of Section 148(1) of the Act is not applicable for the business activities carried out by the Company.

INTERNAL FINANCIAL CONTROL AND THEIR ADEQUACY

The Company has internal financial control and risk mitigation system, which is constantly assessed and strengthened. The Company also conducts internal audits from time to time. The Audit Committee actively reviews the internal audit report, adequacy and effectiveness of the internal financial control and suggests improvements for the same.

MATERIAL CHANGES AND COMMITMENT, IF ANY, AFFECTING FINANCIAL POSITION OF THE COMPANY

There have been no material changes and commitments affecting your Company’s financial position since the end of the Financial Year of the Company and date of this Report.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The Management Discussion and Analysis Report as required under Regulation 34 read with Schedule V of the Listing Regulations, 2015 forms a part of the Annual Report.

ANNUAL RETURN

A copy of the annual return as required under section 92(3) of the Act in the prescribed form which will be filed with the Registrar of Companies / Ministry of Corporate Affairs within the regulatory timelines is hosted on the Company's website and can be accessed at <https://www.silvertouch.com/investors/>.

COMMITTEE AND POLICY UNDER SEXUAL HARASSMENT OF WOMEN AT WORKPLACE (PREVENTION, PROHIBITION AND REDRESSAL) ACT, 2013

Your Company has adopted a Policy for Prevention of Sexual Harassment of Women at workplace, to provide protection to employees at the workplace and for prevention and redressal of complaints of sexual harassment and for matters connected or incidental thereto, with the objective of providing a safe working environment, where employees feel secure. The Company has also constituted an Internal Complaints Committee to consider and to redress complaints of sexual harassment. During the financial year ended 2024-25, the Company did not receive any complaint under the Policy for Prevention of Sexual Harassment of the Company.

---	--	-----

MATERNITY BENEFIT PROVIDED BY THE COMPANY UNDER MATERNITY BENEFIT ACT, 1961

The Company declares that it has duly complied with the provisions of the Maternity Benefit Act, 1961. All eligible women employees have been extended the statutory benefits prescribed under the Act, including paid maternity leave, continuity of salary and service during the leave period, and post-maternity support such as nursing breaks and flexible return-to-work options, as applicable. The Company remains committed to fostering an inclusive and supportive work environment that upholds the rights and welfare of its women employees in accordance with applicable laws.

SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS OR COURTS OR TRIBUNAL

No significant or material order was passed during the period under review, by the Regulators or Courts or Tribunals bearing an impact on the going concern status and Company’s operations in future.

CFO CERTIFICATION

In terms of Regulation 17(8) read with Part B of the Listing Regulations, a certificate from the Chief Financial Officer (CFO) of the company as addressed to the Board of Directors, confirming the correctness of the financial statements, Cash flow statements for the Financial Year ended 31 March 2025 adequacy of the internal control measures and matters reported to the Audit Committee, is provided in this Report as “Annexure -H”.

DECLARATION SIGNED BY THE CEO/MANAGING DIRECTOR STATING THAT THE MEMBERS OF BOARD OF DIRECTORS AND SENIOR MANAGEMENT PERSONNEL HAVE AFFIRMED COMPLIANCE WITH THE CODE OF CONDUCT OF BOARD OF DIRECTORS AND SENIOR MANAGEMENT

The Annual Report includes a declaration by the Managing Director confirming that all Directors and Senior Management Personnel adhered to the Company’s Code of Conduct during the FY 2024-2025. This declaration is required by Schedule V of the Securities and Exchange Board of India’s Listing Obligations and Disclosure Requirements Regulations 2015.

The detail policy on the Code of Conduct is available on the website at <https://www.silvertouch.com/investors/>.

DETAILS OF APPLICATION MADE OR PROCEEDINGS PENDING UNDER THE INSOLVENCY AND BANKRUPTCY CODE, 2016 DURING THE YEAR ALONG WITH THEIR STATUS AS AT THE END OF THE FINANCIAL YEAR

During the year under review, there were no applications filed or any proceedings pending in the name of the company under the Insolvency and Bankruptcy Code (IBC), 2016.

DETAILS OF DIFFERENCE BETWEEN VALUATION AMOUNT ON ONE TIME SETTLEMENT AND VALUATION WHILE AVAILING LOANS FROM BANKS AND FINANCIAL INSTITUTIONS

The Company has not made any one-time settlement for loans taken from the Banks or Financial Institutions, and hence the details of difference between amount of the valuation done at the time of one-time settlement and the valuation done while taking loan from the Banks or Financial Institutions along with the reasons thereof is not applicable.

ACKNOWLEDGEMENT

The Board of Directors of Silver Touch Technologies Limited extends its heartfelt appreciation to all stakeholders who have contributed to the Company’s continued growth and success during the year under review. We are especially grateful to our employees for their unwavering dedication, professionalism, and alignment with the Company’s vision. Their commitment to excellence and tireless efforts across all levels have been pivotal in driving operational resilience and delivering consistent performance. The Board also acknowledges with sincere gratitude the support and confidence extended by our shareholders, valued clients, business partners, bankers, distributors, service providers, and vendors, whose collaboration has been integral to our progress.

We further express our appreciation to market intermediaries, financial institutions, and other ecosystem partners for their active role in supporting the Company’s strategic initiatives and expansion. Our sincere thanks go to our consumers and the broader tech community for their continued engagement, which energizes our mission to deliver cutting-edge digital solutions. The Board deeply values the support received from the Government of India, various State Governments, and concerned departments, as well as from financial institutions and banks.

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

SECRETARIAL AUDIT REPORT
For the Financial year ended on 31st March, 2025

To,
The Members,
Silver Touch Technologies Limited
CIN: L72200GJ1995PLC024465
Silver Touch House, Opp. Suryarath Complex,
Nr. White House, Panchavati Circle,
Ahmedabad - 380006 Gujarat, India

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by M/s. Silver Touch Technologies Limited (hereinafter referred to as “the Company”). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company’s books, papers, minutes books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the company has, during the audit period covering the financial year ended on 31st March, 2025 (hereinafter referred to as “the Audit Period”) complied with the statutory provisions listed hereunder and also that the Company needs proper Board processes and moderate compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2025, according to the provisions of:

- (i.) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii.) The Securities Contract (Regulation) Act, 1956 (‘SCRA’) and the rules made thereunder;
- (iii.) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv.) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Overseas Direct Investment. However the regulations relating to Foreign Direct Investment and External Commercial Borrowings were not applicable;
- (v.) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (‘SEBI Act’):
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;

- d. The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021;

We further report that, based on the information provided by the Company, its officers and authorized representatives during the conduct of audit, and having regard to the compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof, on test-check basis, the Company has generally complied with the following laws applicable specifically to the Company;

- (a) The Information Technology Act, 2000 and the rules made thereunder
- (b) The Copyright Act, 1957
- (c) The Trade Marks Act, 1999

We have also examined compliance with the applicable clauses/regulations of the following, to the extent applicable to the Company during the audit period:

- (i.) Secretarial Standards issued by The Institute of Company Secretaries of India.
- (ii.) SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015.

We report that, during the year under review, the Company has complied with the provisions of the Acts, rules, regulations and guidelines mentioned above, except mentioned here under:

During the period under review Promoters/Designated Persons have executed trades in the securities of the Company, which is required to be disclosed under regulation 7(2) of the SEBI (PIT) Regulations, 2015 as a part of continual disclosure. Provisions reads as “Every promoter, [member of the promoter group], [designated person] and director of every company shall disclose to the company the number of such securities acquired or disposed of within two trading days of such transaction if the value of the securities traded, whether in one transaction or a series of transactions over any calendar quarter, aggregates to a traded value in excess of ten lakh rupees or such other value as may be specified”.

During the period under review, certain trades in the securities of the Company by the Promoters were not disclosed to the Company within the prescribed timeline under Regulation 7(2) of the SEBI (Prohibition of Insider Trading) Regulations, 2015. This resulted in a delay in compliance with the disclosure requirements.

We further report that, there were no actions/ events in pursuance of:

- (a) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
 - (b) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 as amended from time to time;
 - (c) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible and Redeemable Preference Shares) Regulations, 2013 as amended from time to time;
 - (d) Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021;
 - (e) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; and
 - (f) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018;
- requiring compliance thereof by the Company during the financial year.

We further report that the compliance by the Company of applicable financial laws, like direct and indirect tax laws, has not been reviewed in this Audit since the same have been subject to review by auditor/other designated professionals.

We have relied on the representation made by the Company and its officers for systems and mechanism formed by the Company for compliances under other applicable Acts, Laws and Regulations, Guidelines, Standards, etc. mentioned above.

We further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act, except as mentioned hereinabove.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be.

We further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period, there were no other specific events/actions having a major bearing on the Company’s affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.

CORPORATE GOVERNANCE REPORT

Corporate Governance at our Company is centered on achieving strategic objectives in a responsible, transparent, and accountable manner. We are guided by a strong governance framework that upholds the long-term interests of all stakeholders. Our approach is firmly rooted in the principles of integrity, fairness, equity, and accountability, supported by a deep commitment to ethical values. The governance structure is reinforced through well-defined policies and procedures that form the foundation of our governance philosophy. These policies are designed to ensure operational excellence, promote business continuity, and maintain the highest standards of quality across all facets of our operations.

1. COMPANY’S PHILOSOPHY ON CODE OF GOVERNANCE:

At our Company, Corporate Governance is not merely a regulatory requirement but an integral part of our corporate philosophy. We are deeply committed to maintaining the highest standards of transparency, accountability, and ethical conduct across all our operations. Our governance practices are guided by our core values, which are embedded in the actions and decisions of every individual associated with the organization. We firmly believe that sound governance enhances stakeholder trust and contributes to long-term value creation.

In alignment with the guidelines prescribed by the Securities and Exchange Board of India (SEBI) and the Listing Regulations, we have diligently adopted and implemented best-in-class corporate governance practices. Our approach goes beyond statutory compliance—it reflects our voluntary commitment to ethical conduct, fairness, and responsible disclosure. The Company continuously strives to improve its governance framework, ensuring timely and accurate communication of relevant financial, operational, and leadership information to all stakeholders.

Our governance philosophy is rooted in integrity, professionalism, and stakeholder-centricity. We uphold a culture of trust, openness, and accountability across all levels of the organization. This culture aligns with the values of our group and supports sustainable growth by ensuring that all strategic decisions are made with a strong sense of responsibility and fairness towards shareholders, customers, employees, regulatory authorities, and society at large.

The Company is in compliance with the requirements stipulated under Regulations 17 to 27 read with Schedule V and clauses (b) to (i) and (t) of sub-regulation (2) of Regulation 46 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”), as applicable, with regard to corporate governance.

2. BOARD OF DIRECTORS

The Board of Directors is entrusted with the ultimate responsibility for the overall management, direction, and performance of the Company. It plays a central role in upholding our commitment to high standards of Corporate Governance. Comprising a blend of independent and non-independent directors, the Board brings together a diverse and well-informed group of professionals who provide strategic leadership and independent oversight. This ensures a clear distinction between governance and management functions and reinforces accountability across the organization.

Operating with integrity and transparency, the Board formulates key strategies, sets performance goals, monitors compliance with laws and regulations, and reviews the Company’s financial and operational performance. It also oversees the implementation of the Code of Conduct and ensures that the Company’s actions align with the interests of its shareholders and other stakeholders, including the community and the environment.

Through its various Committees, the Board reinforces ethical business practices, fosters transparency, and drives long-term stakeholder value. As the highest governance authority, the Board is committed to fostering a culture of responsible, sustainable, and accountable growth, ensuring the Company remains aligned with its values and societal expectations while achieving its strategic goals.

A. COMPOSITION OF THE BOARD

We acknowledge the importance of diversity in the Boardroom as a driver of effectiveness. For the Board, diversity encompasses difference in perspective, experience, education, ethnicity, gender and other personal attributes. The Board represents an appropriate composition of Executive and Non-Executive Directors, including Independent Directors, which is in compliance with the Companies Act, 2013 (‘the Act’) and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (‘SEBI Listing Regulations’).

Pursuant to Section 149(4) of the Act read with the Companies (Appointment and Qualification of Directors) Rules, 2014 and Regulation 17 of the SEBI Listing Regulations, the Company has a balanced Board, comprising of Executive and Non- Executive Directors which includes independent professionals with rich experience and expertise from diverse backgrounds relevant to the Company’s business requirements, who have long standing experience and expertise in their respective fields.

As on March 31, 2025, the Company’s Board comprised of Five (5) Executive Directors (50%) and Five (5) Non- Executive Independent Directors (50%). The Chairperson of the Company is a Executive Director. The Board does not have any institutional nominee director.

COMPLIANCE WITH DIRECTORSHIP LIMITS

All the Directors have made necessary disclosures regarding their directorships/memberships and other interests as required under Section 184 of the Act. None of the Directors of your Company is a Director in more than twenty (20) Companies (including ten public Companies) or acts as an Independent Director in more than seven (7) Listed Companies, or three (3) Listed Companies in case he/she serves as a Whole-time Director in any Listed Company. All Non-Independent Directors on the Board are liable to retire by rotation.

COMPLIANCE WITH COMMITTEE POSITIONS

Disclosures have been made by the Directors regarding their Chairmanships/ Memberships of mandatory Committees of the Board and the same are within the permissible limits as stipulated under Regulation 26(1) of the SEBI Listing Regulations. Accordingly, none of the Directors on the Board of your Company is a member of more than ten (10) Committees or Chairperson of more than five (5) Committees, across all Public Limited Companies in which he/she is a Director.

DECLARATION FROM INDEPENDENT DIRECTORS

All the Independent Directors on the Board of your Company have confirmed that they meet the criteria of independence as mentioned in Regulation 16(1)(b) of the SEBI Listing Regulations read with Section 149(6) of the Act and they are not aware of any circumstance or situation, which exists or may be reasonably anticipated, that could impair or impact their ability to discharge their duties with an objective independent judgment and without any external influence.

The Board has carried out an assessment of declarations and confirmations submitted by the Independent Directors of the Company and after undertaking due assessment of the veracity of the same, is of the opinion that the Independent Directors are independent of the Company's management and they fulfil the conditions specified in the SEBI Listing Regulations and the Act.

In terms of Section 150 of the Companies Act, 2013 read with Rule 6 of the Companies (Appointment and Qualification of Directors) Rules, 2014, Independent Directors of the Company have confirmed that they have registered themselves with the databank maintained by the Indian Institute of Corporate Affairs.

BOARD MEETINGS AND BOARD PROCEDURE:

During Financial Year 2024-25, the Board met Four (4) times. The gap between two consecutive meetings has been less than 120 days. The Board meetings are usually held through Video Conferencing/ Other Audio Video Means at the Registered Office of the Company.

The Board meeting dates are decided in consultation with the Board members. The schedule of the Board meetings as well as Board Committee meetings are communicated in advance to the Directors to enable them to attend the meetings.

As permitted under Section 173(2) of the Act read with Rule 3 of the Companies (Meetings of Board and its Powers) Rules, 2014, the facility to participate in the meetings through video conference was also made available to the Board members as and when requested by them due to their inability to attend the meeting in person.

INFORMATION FLOW TO THE BOARD MEMBERS

Information is provided to the Board Members on a continuous basis for their review, inputs, and approval from time to time. More specifically, we present our annual strategic plan and operating plan of our business to the Board for their review, inputs, and approval. Likewise, our quarterly financial statements and annual financial statements are first presented to the Audit Committee and subsequently to the Board for their approval. In addition, various matters such as review of business performance, appointment of Directors and Key Managerial Personnel, corporate actions, review of internal and statutory audits, details of investor grievances, specific cases of acquisitions, important managerial decisions, material positive/ negative developments, risk management initiatives including cyber security along with mitigation actions and legal/statutory matters are presented to the

respective Committees of the Board and later with the recommendation of Committees, to the Board of Directors for their approval, as may be required.

As a system, in most cases, information to Directors is submitted along with the agenda papers well in advance of the Board meeting. Inputs and feedback of Board Members are taken and considered while preparing agenda and documents for the Board meeting. Sufficient time is allocated for discussions and deliberations at the meeting.

Documents containing Unpublished Price Sensitive Information are submitted to the Board and Committee Members, at a shorter notice, as per the general consent taken from the Board, from time to time.

Post the Board meeting, we have a formal system for follow-up, review and reporting on actions taken by the management on the decisions of the Board and Committees of the Board.

G. FAMILIARIZATION PROGRAMMES FOR INDEPENDENT DIRECTOR:

The Company has a well-defined Induction and Familiarization Programme in place for its Independent Directors, in accordance with Schedule IV of the Companies Act and the SEBI Listing Regulations. This programme is designed to provide Directors with a thorough understanding of the Company’s operations, industry environment, business model, and their specific roles, rights, and responsibilities.

Upon induction, new Directors participate in a comprehensive orientation that covers the Company’s history, organizational structure, compliance practices, key product and therapy segments, human resources policies, performance management systems, and overall strategic direction. They are also provided with essential documents, internal policies, and procedural guidelines to help them integrate smoothly and gain familiarity with the Company’s governance framework and operational practices.

To ensure continued engagement and up-to-date knowledge, the Company conducts regular Familiarization Programme sessions for Independent Directors. These sessions, led by senior management, include presentations on strategic and functional matters, industry trends, business challenges, and regulatory updates. Specific topics covered include recent amendments to applicable laws, Related Party Transactions, developments in the broadcasting sector, and evolving strategies in response to a rapidly changing industry landscape and increasing competition.

In addition, Board and Committee meetings serve as platforms for ongoing learning, where Directors receive detailed updates on business performance, strategic initiatives, corporate governance, the Code of Business Conduct, and risk management practices. These interactions not only keep Independent Directors well-informed but also enable them to contribute meaningfully to the Company’s strategic and operational decision-making.

The Company is having general practice to conduct a familiarization program of the Independent Directors after their appointment.

Accordingly, the Company has made, Independent Directors so appointed during the FY, familiarized about

- 1. The Role, Rights, Responsibilities and Duties of Independent Directors; and
- 2. The Company, Nature of Industry in which the Company operates, the business model of the Company etc.
- 3. Any other relevant information.

The details of familiarization Program are available on the website <https://www.silvertouch.com/investors/>

H. SKILL/ EXPERTISE/ COMPETENCE OF THE BOARD OF DIRECTORS

The brief profiles of Directors can be availed on the Website of the Company <https://www.silvertouch.com/directors/>, it gives an insight into the education, expertise, skills and experience of Silver Touch Board members, thus bringing diversity to the Board’s deliberations.

--	--	--

I. CONFIRMATION ON THE INDEPENDENCE OF THE INDEPENDENT DIRECTORS:

The Company has appointed its Independent Directors in accordance with Section 149 of the Companies Act and the applicable provisions of the SEBI Listing Regulations. The Board of Directors confirms that, in its view, all Independent Directors fulfill the criteria prescribed under the Listing Regulations, 2015, and continue to maintain their independence from the management.

Separate Meeting of Independent Director:

Pursuant to Schedule IV to the Act and SEBI Listing Regulations, **Two (2)** meetings of Independent Directors were held during the year i.e., on **10th March, 2025** and **25th March, 2025**, without the attendance of non-independent Directors and members of Management.

All the Independent Directors attended the above said Meeting.

J. DETAILED REASONS FOR THE RESIGNATION OF THE INDEPENDENT DIRECTORS:

There were no instances of independent directors resigning during the reviewed year.

COMMITTEES OF THE BOARD

The Board Committees form an integral part of the Company’s governance framework, established with the formal approval of the Board to focus on specific functional areas requiring close oversight. These Committees are entrusted with well-defined roles and responsibilities, articulated in their respective Terms of Reference, which outline their composition, scope, powers, and operating procedures.

Each Committee operates under the direct supervision of the Board and functions within the parameters set out by its charter. The Chairpersons of the respective Committees regularly report to the Board on key discussions, decisions, and recommendations. Committee decisions are taken either during scheduled meetings or by passing circular resolutions, as permitted.

The Board reviews the minutes of all Committee meetings to ensure alignment with the Company's overall strategic and governance objectives. During the financial year, all recommendations put forth by the Committees were duly considered and approved by the Board.

As on March 31, 2025, there were **Six (06)** Board Committees, namely:-

- A) Audit Committee
- B) Nomination and Remuneration Committee
- C) Stakeholders Relationship Committee
- D) Corporate Social Responsibility Committee
- E) Internal Complaints Committee (POSH Act)
- F) Tender, Investment and Finance Committee

The details of the various Board Committees are as mentioned below:

I. AUDIT COMMITTEE

The Audit Committee’s role is to assist the Board to fulfil its corporate governance and overseeing responsibilities in relation to the Company’s financial reporting process carried out by the Management, internal control system, risk management system and internal and external audit functions.

A. CONSTITUTION

The Audit Committee adheres to the requirements outlined in Section 177 of the Companies Act, 2013 and Regulation 18 of the Listing Regulations. The Board has periodically approved and revised the Audit Committee’s terms of reference, ensuring compliance with Section 177(4) of the Act and the Listing Regulations.

All the Members of the Committee are financially literate and possess strong accounting and related financial management expertise.

B. TERMS OF REFERENCE:

b. Extra-Ordinary General Meeting (‘EGM’):

During the year under review, no Extraordinary General Meeting was convened.

c. Postal Ballot:

During the year under review, the Company did not pass any resolutions by postal ballot.

C. MEANS OF COMMUNICATION

Your Company, from time to time and as may be required, communicates with its Shareholders and Investors through multiple channels of communications.

The following list of established channels of communication is used by the company to communicate with its stakeholders:

ANNUAL REPORT: The Annual Report containing, inter alia, the Audited Financial Statement, Audited Consolidated Financial Statement, Board’s Report, Auditors’ Report and other important information is circulated to the members and others entitled thereto. The Management Discussion and Analysis Report forms part of the Annual Report. The Annual Report is also available on the website of the Company.

ANNOUNCEMENT OF FINANCIAL RESULTS: The Company submits its quarterly, half-yearly, and annual financial results—both standalone and consolidated—to the stock exchanges within the prescribed timelines, in accordance with Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. These results are uploaded to the stock exchanges on their respective web portals i.e. “NEAPS” and “BSE Listing Center”, ensuring timely and transparent financial disclosure.

In compliance with Regulation 47 of the SEBI Listing Regulations, the financial results are also published in widely circulated newspapers, including *The Financial Express* in English and Gujarati daily, thereby ensuring adequate public dissemination. Additionally, the results are promptly made available on the Company’s website <https://www.silvertouch.com/>, enabling easy access for investors and stakeholders.

WEBSITE: The ‘Investors’ section of the Company’s website serves as a comprehensive repository of shareholder-related information. It provides access to key disclosures such as the Annual Report, quarterly and half-yearly financial results, annual audited financial statements, and official news releases, ensuring transparent and timely communication with all stakeholders.

The Company’s website <https://www.silvertouch.com/>, hosts all requisite information mandated under the Companies Act and SEBI Listing Regulations. This includes details of the designated contact persons, the Registrar and Share Transfer Agent, the shareholding pattern, adopted policies, and other statutory disclosures essential for investor awareness and regulatory compliance.

DISCLOSURES UNDER REGULATION 30: Your Company discloses to the Stock Exchanges, all information required to be disclosed under Regulation 30 read with Part ‘A’ of Schedule III of the SEBI Listing Regulations including material information having a bearing on the performance/operations of the Company and other price sensitive information, if any.

All information is filed electronically to the stock exchanges on their respective web portals i.e. “NEAPS” and “BSE Listing Center”.

SCORES (SEBI COMPLAINTS REDRESSAL SYSTEM): SEBI processes investors’ complaints in a centralized web-based complaints redressal system i.e. SCORES. Through this system, a shareholder can lodge complaint(s) against a Company for his grievance, Company/RTA uploads the action taken on the complaint which can be viewed by shareholder. The Company and shareholder can seek clarifications online through SEBI.

ONLINE DISPUTE RESOLUTION (ODR) PORTAL: SEBI has established a common Online Dispute Resolution Portal (“ODR Portal”) for resolution of disputes arising in the Indian Securities. After exhausting the option to resolve their grievances with the RTA/ Company directly and through existing SCORES platform, the investors can initiate dispute resolution through the ODR Portal i.e. <https://smartodr.in/login>.

MANAGEMENT’S DISCUSSION AND ANALYSIS

In this Management Discussion and Analysis Report, the Directors present a detailed overview of the company’s performance, accomplishments, and future prospects for the financial year ended 31st March, 2025. The report is intended to offer stakeholders valuable insights into the company’s operations, key financial indicators, risk management strategies, opportunities, challenges, and overall outlook.

A. INDUSTRY STRUCTURE AND DEVELOPMENTS

The global economy in 2024 operated within a multifaceted and uncertain geopolitical environment, shaped by enduring conflicts such as the India-Pakistan tensions and escalating trade frictions arising from renewed U.S. tariff policies. Despite these macroeconomic headwinds, the global economy displayed measured resilience. According to IMF estimates, global GDP grew by approximately 3.2% in 2024, improving modestly from 2.8% in 2023. This recovery was fueled largely by strong performances in emerging markets and a surprisingly robust 2.8% GDP growth in the United States. Conversely, the Eurozone lagged, with GDP growth limited to 1.3%, impacted by dampened consumer sentiment and persistent energy-related inflationary pressures.

In response to these volatile conditions, corporations worldwide recalibrated their strategies — pivoting from aggressive expansion towards enhancing operational resilience, digital maturity, and cost efficiency. This strategic realignment was clearly reflected in global IT spending, which reached approximately USD 5.44 trillion in 2024, representing an 8.3% year-on-year increase (Source: Gartner). This surge underscores the critical importance of digital transformation, automation, and cloud adoption in building future-ready enterprises.

The global IT services industry has seen accelerated momentum in areas such as Artificial Intelligence (AI), Cloud Computing, Cybersecurity, and Enterprise Automation. Cloud services alone accounted for over USD 675 billion in spending, while AI investments exceeded USD 200 billion, emphasizing the enterprise-wide push for intelligent and scalable digital ecosystems.

COMPANY OUTLOOK – SILVER TOUCH TECHNOLOGIES LIMITED

Against the backdrop of rapid technological advancement and global economic transformation, Silver Touch Technologies Limited (STTL) has further solidified its position as a dependable and future-ready digital transformation partner. With a legacy spanning over two decades, STTL consistently delivers comprehensive, end-to-end IT solutions, seamlessly integrating Artificial Intelligence (AI), Business Intelligence, Cloud Computing, Cybersecurity, Big Data, and Process Automation into client ecosystems.

In an era where resilience and adaptability define long-term success, STTL remains committed to leveraging technology as a catalyst for stability, efficiency, and transformative growth across markets.

There is a new wave of dynamism in technologies. The industry is feeling the pressure to build AI strategies and stay ahead. We saw generative AI starting to reshape the industry in fiscal 2024-25. We continued to witness businesses attempting to reimagine their cost structures, increase business resilience and agility, personalize experiences for customers and employees, and launch new and disruptive products and services, aided by generative AI. With our leadership position in AI, we believe we are well-positioned to take advantage of these market opportunities.

Silver Touch Technologies Limited (STTL), with over two decades of expertise, has been at the forefront of digital innovation, playing an integral role in transforming businesses globally. Headquartered in Ahmedabad, India, and with a presence in the USA, UK, and Canada, STTL offers a comprehensive suite of IT solutions, including enterprise software services, digital transformation, ERP solutions, e-governance services, managed security services, and cloud solutions.

The company's commitment to excellence is reflected in its CMMi Level 5 certification and a dedicated team of over 1,400 IT professionals serving more than 2,000 clients worldwide.

Industry Trends and STTL's Strategic Response

- Digital Transformation and Automation:** The accelerating adoption of digital transformation has led to increased demand for automation solutions. STTL's offerings in Robotic Process Automation (RPA), Artificial Intelligence (AI), Machine Learning (ML), and Internet of Things (IoT) position the company as a leader in this domain. Their RPA services, for instance, have enabled industries to achieve productivity gains of up to 80% by automating manual processes.
- Cloud Computing and ERP Solutions:** As businesses migrate to cloud environments, STTL's expertise in SAP Business One, SAP S/4 HANA, and Odoo ERP solutions facilitates seamless transitions. The company's end-to-end ERP consulting services, encompassing licensing, implementation, customization, support, and hosting, ensure optimized business processes for clients across various industries.
- E-Governance Initiatives:** STTL's involvement in e-governance projects underscores its commitment to enhancing public sector services. The company's solutions, including G2C, G2B, and G2G portals, single-window solutions, and AI-powered assessments, have been instrumental in digitizing government services and improving citizen engagement.

- 4. **Cybersecurity and Managed Services:** With the increasing frequency of cyber threats, STTL's managed security services, such as SOC-as-a-Service, VAPT, and identity and access management, provide robust protection for businesses. These services are complemented by 24/7 support and monitoring, ensuring the security and integrity of client operations.

In today's fast-paced technological environment, STTL is dedicated to delivering forward-thinking, customer-focused solutions. By staying attuned to emerging industry trends and capitalizing on its deep domain expertise, the company consistently enables both businesses and public sector organizations to drive digital transformation and pursue sustainable, long-term growth.

B. SNAPSHOT OF BUSINESS SEGMENTS

- **Enterprise Software Services**
 - Application development
 - Digital engineering
 - Cloud solutions
- **Digital Transformation**
 - Artificial Intelligence (AI)
 - Data analytics
 - Blockchain & IoT
 - Robotic Process Automation (RPA)
- **ERP Solutions**
 - SAP Business One & S/4 HANA
 - Odoo ERP
 - ERP consulting, implementation, and support
- **E-Governance Services**
 - Government portals (G2C, G2B, G2G)
 - Dashboards and single-window platforms
 - AI-based public service solutions
- **Managed Security Services**
 - SOC-as-a-Service

- Cloud & endpoint security
- VAPT and identity/access management
- **Modern Workplace Solutions**
 - IT infrastructure & consulting
 - Communication & collaboration tools
- **Cloud Services**
 - Public, private, and hybrid cloud
 - Cloud monitoring & virtual desktops
 - Silver Cloud and AWS integration

C. OPPORTUNITIES AND THREATS

Major Opportunities for the Company are as follows:

1. Expansion into New Geographies
2. Adoption of Emerging Technologies
3. Rise of IT Automation Across Sectors
4. Long experience of the promoters in the industry;
5. Strong Leadership and Industry Experience
6. Comprehensive End-to-End IT Solutions
7. We follow the Quality standards (CMMI Maturity Level 5 Certification) which are followed by leading IT companies.
8. Client-Centric and Flexible Delivery Models
9. Diverse Industry Experience

Major Threats/ Challenges for the Company are as follows:

1. High Dependency on Evolving Technologies
2. Complexity in Technology Integration
3. Talent Retention and Skill Shortages
4. Intensified Market Competition
5. Rising Cybersecurity Threats
6. Business Disruption from Global Uncertainties
7. Regulatory and Compliance Challenges

D. SEGMENT–WISE PERFORMANCE

The Geographical Segment wise standalone and consolidated financial performance of the Company during the Year is as follows:

PARTICULARS	STANDALONE		CONSOLIDATED	
	FY 2024-25	FY 2023-24	FY 2024-25	FY 2023-24
Segment Revenue				
a) Domestic	24,821.72	18,741.59	24,892.54	18,741.59
b) Export	1,841.44	1,934.99	3,945.47	3,668.70
Total Sale/Income from Operations	26,663.16	20,676.58	28,838.01	22,430.29
Total Profit before Tax	3,041.47	2,129.14	2,992.19	2,152.64
Segment Assets				
a) Domestic	16,805.64	11,941.61	13,233.20	9,462.02
b) Export	5,663.81	3,983.19	10,528.17	7,241.28
Unallocated Assets	552.05	502.57	555.25	505.57
Total Assets	23,021.50	16,427.37	24,316.61	17,208.87
Segments Liabilities				
a) Domestic	20,850.76	15,086.60	21,558.92	15,561.15
b) Export	2,096.65	1,299.16	2,640.94	1,547.79
Unallocated Liabilities	74.09	41.61	116.75	99.93
Total Liabilities	23,021.50	16,427.37	24,316.61	17,208.87

E. OUTLOOK, RISKS AND CONCERNS

This section outlines forward-looking statements that involve risks and uncertainties. Actual results may differ materially from those anticipated due to various factors:

1. Impact of Outsourcing Restrictions

- **Global Policy Shifts:** Countries are increasingly implementing protectionist policies that restrict outsourcing of IT services to foreign entities. For instance, recent moves by financial institutions to reduce reliance on external contractors in regions like China highlight the growing trend of reshoring technology operations.
- **Implications for Indian IT Firms:** Such policies could adversely affect Indian IT companies that rely heavily on international outsourcing contracts, potentially leading to reduced revenue streams and necessitating strategic realignments.

2. Talent Acquisition and Retention Challenges

- **High Demand for Skilled Professionals:** The IT industry faces intense competition for skilled professionals, particularly in emerging technologies such as AI, ML, and

cybersecurity. This demand often leads to increased attrition rates and challenges in maintaining a stable workforce.

- **Impact on Operations:** Difficulty in attracting and retaining top talent can result in project delays, increased recruitment costs, and potential compromises in service quality, affecting overall business performance.

3. Cybersecurity Threats

- **Sophisticated Cyber Attacks:** The rise of AI-powered cyber threats, including deepfakes and advanced phishing schemes, poses significant risks to organizational security. These threats are becoming more challenging to detect and mitigate.
- **Regulatory Pressures:** Governments worldwide are tightening cybersecurity regulations. For example, the EU's Cyber Resilience Act mandates stringent security requirements for digital products, impacting companies' compliance obligations.
- **Resource Constraints:** A global shortage of cybersecurity professionals exacerbates the challenge of defending against these evolving threats, leaving organizations vulnerable to potential breaches.

4. Exchange Rate Volatility

- **Fluctuating Currency Values:** Exchange rate fluctuations can significantly impact the profitability of international contracts, especially those denominated in foreign currencies.
- **Financial Implications:** Adverse currency movements can lead to reduced margins on overseas projects and complicate financial planning and forecasting.

5. Market Dynamics and Competitive Pressures

- **Changing Consumer Preferences:** Rapid shifts in market trends and consumer demands can affect the relevance of existing service offerings, requiring continuous innovation and adaptation.
- **Intensified Competition:** The proliferation of both established players and new entrants in the IT sector increases competitive pressures, potentially leading to price wars and margin compression.

6. Regulatory and Compliance Challenges

- **Evolving Legal Landscapes:** Frequent changes in government regulations, including data protection laws and industry-specific compliance requirements, can create operational complexities.

- **Compliance Costs:** Adapting to new regulations often necessitates significant investments in legal resources, system upgrades, and staff training, impacting the company's bottom line.

7. Taxation Policies

- **Impact on Profitability:** Changes in taxation policies, such as increased corporate tax rates or the introduction of digital services taxes, can erode profit margins.
- **Operational Adjustments:** To mitigate tax-related impacts, the company may need to restructure operations, adjust pricing strategies, or relocate certain business functions, leading to potential disruptions.

F. INTERNAL FINANCIAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has established a strong and well-structured system of internal controls to ensure the orderly and efficient conduct of its operations. These controls are designed to safeguard assets, maintain the integrity of financial data, and ensure compliance with applicable laws and regulations.

An Internal Financial Control Policy is in place to protect sensitive financial and operational information from unauthorized access or disclosure. The Company has implemented a continuous monitoring mechanism that allows timely detection and correction of any deviations or irregularities.

Through regular internal audits, reviews by the Audit Committee, and proactive risk assessments, the Company continuously strengthens its control environment, ensuring resilience and accountability across all levels of the organization.

G. DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE:

Financial Performance FY 2024-25 Comparison: Year-on-Year There is significant improvement in the financial performance of the company compared to last year. The total turnover of the company in current financial year is increased by 29 % i.e. from Rs. 20,925.03 lakh to Rs. 26,968.44 lakh. The Net profit after Tax of the company is also increased significantly by 43% from Rs. 1,582.74 lakh to Rs. 2,268.82 lakh. Whereas Profit before tax is increased by almost 43 % from Rs. 2,129.14 lakh to Rs. 3,041.47 lakh.

H. MATERIAL DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED:

Human resource management plays a pivotal role in nurturing a skilled, motivated, and collaborative workforce—an essential asset for any IT company. In a dynamic and knowledge-driven industry, each employee's contribution significantly influences innovation, client satisfaction, and business success.

Our HR strategy is centered around attracting, developing, and retaining top technology talent. We focus on recruiting professionals who not only have the technical expertise and industry experience but also align with our organizational values and culture. By offering competitive compensation, a flexible work environment, and clear career advancement opportunities, we aim to foster high job satisfaction and long-term engagement.

Employee learning and development are core to our HR philosophy. We provide continuous access to technical training, upskilling in emerging technologies (such as AI, cloud, and cybersecurity), and leadership development programs to keep our workforce future-ready. Regular performance reviews and constructive feedback sessions help align individual goals with business objectives and uncover paths for professional growth.

To support a positive and efficient workplace, we ensure full compliance with employment laws and implement robust systems for managing payroll, benefits, and HR administration. We also encourage a collaborative, inclusive, and innovation-driven culture, where knowledge-sharing and teamwork are actively promoted.

By investing in our people, we aim to build a resilient, high-performing team that drives digital transformation for our clients and sustains the company's long-term growth.

The Company also have 50 apprentice trainees for its various departments during the year to provide them the technical training. As at March 31, 2025 there were total 764 Nos. of employees on the role of the Company.

I. DISCLOSURE OF ACCOUNTING TREATMENT:

The Company has prepared its financial statements in accordance with the prescribed Accounting Standards.

J. DETAILS OF SIGNIFICANT CHANGES (I.E. CHANGE OF 25% OR MORE AS COMPARED TO THE IMMEDIATELY PREVIOUS FINANCIAL YEAR) IN KEY FINANCIAL RATIOS, ALONG WITH DETAILED EXPLANATIONS THEREFORE:

During the year under review, there were significant changes in key financial ratios as provided under –

- Current Ratio by 36.13 % due to mainly on account of higher short-term borrowings and other current obligations. Although current assets have also increased, the rise in current liabilities has been proportionately higher, resulting in a reduced current ratio.
- Debt Equity Ratio by 235 % due to a rise in borrowings to meet the funding requirements for business expansion and operational working capital. The shareholders' equity remained relatively constant, leading to a sharp increase in the ratio.
- Debt Service Coverage Ratio by 93.58 % due to increase in Interest and Principle repayment during the year under review. While operating profits have improved, the higher repayment obligations resulting from new borrowings have led to decline in the Debt service coverage capacity.
- Trade payable ratio by 68.29 % due to higher net credit purchases during the year, coupled with a reduction in average trade payables. This indicates faster payment cycles and improved management of supplier obligations.
- Net capital turnover ratio by 25.81 % due to significant rise in revenue from operations, while the average working capital remained relatively stable. This indicates improved efficiency in utilizing working capital to generate revenue and reflects better operational performance and capital management.

Cautionary statement

Statements in this Management Discussion and Analysis describing the Company's objectives, projections, estimates and expectations may be 'forward looking' within the meaning of applicable laws and regulations. Actual results may differ from those expressed or implied. Important factors that could make a difference to the Company's operations include global economy, political stability, stock performance on stock markets, changes in government regulations, tax regimes, economic developments and other incidental factors. Except as required by law, the Company does not undertake to update any forward-looking statements to reflect future events or circumstances. Investors are advised to exercise due care and caution while interpreting these statements.

**INDEPENDENT AUDITOR’S REPORT TO THE MEMBERS OF
M/s. SILVER TOUCH TECHNOLOGIES LIMITED**

Report on the Financial Statements

Opinion

We have audited the accompanying standalone financial statements of M/s.Silver Touch Technologies Limited (the “Company”), which comprise the Balance Sheet as at **31st March, 2025**, the Statement of Profit and Loss, including the Statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the Standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone financial statements give the information required by the Companies Act, 2013, as amended (the “Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at **31st March, 2025**, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the ‘Auditor’s Responsibilities for the Audit of the Standalone Financial Statements’ section of our report. We are independent of the Company in accordance with the ‘Code of Ethics’ issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements for the financial year ended **March 31, 2025**. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
We have nothing to report in this regard.

Information other than the Standalone Financial statements and Auditor’s report thereon.

The Company's Board of Directors is responsible for the preparation of other information. The other information comprises the information included in the Board's report including Annexures to Board's report, but does not include the standalone financial statements and our auditor's report thereon. The Company's Annual Report is expected to be made available to us after the date of this Audit Report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether such other information is materially inconsistent with the standalone Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report the fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- 1 Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2 Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- 3 Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4 Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- 5 Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor’s report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor’s Report) Order, 2020 (“the Order”), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the **Annexure A** statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As acquired by section 143(3) of the Act, we report that:
 - a. We have sought and obtain all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - c. The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid standalone IndAS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - e. On the basis of written representations received from the directors as on March 31st, 2025, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31st, 2025, from being appointed as a director in terms of Section 164 (2) of the Act.”)
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “**Annexure B**”;
 - g. In our opinion, the managerial remuneration for the year ended March 31, 2025 has been paid / provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act;

- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i There is no pending litigation that may have impact on its financial statements.
 - ii The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii There is no amount to be transferred to Investors Education Protection Fund.
 - iv -
 - (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - (c) Based on such audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
 - v There is no interim dividend declared and paid by the company, during the year in accordance with section 123 of the Companies Act, 2013.
- i. With respect to the matter to be included in the Auditors' Report under section 197(16):
In our opinion and according to the information and explanations given to us, the remuneration paid by the company to its directors during the current year is in accordance with the provisions of Section 197 of the Act.
- j. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and that has operated throughout the year for all relevant transactions recorded in the software and for direct database changes throughout the year. Further, during the course of performing our procedures, we did not notice any instance of audit trail feature being tampered with in cases where the audit trail feature was enabled or audit trail not preserved by the Company as per the statutory requirements for record retention

INDEPENDENT AUDITORS' REPORT ON INTERNAL FINANCIAL CONTROL

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

1 We have audited the internal financial controls over financial reporting of Silver Touch Technologies Limited as at 31ST MARCH 2025 in conjunction with our audit of the Balance Sheet, Statement of Profit and Loss including the Statement of Other Comprehensive Income, Cash Flow Statement, Statement of Changes in Equity & notes forming part of financial statement.

Management's Responsibility for Internal Financial Controls

2 Management is responsible for establishing and maintaining internal financial controls based on the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('the ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required by The Companies Act, 2013 ('the Act').

Auditor's Responsibility

3 Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing ('the Standards'), issued by the ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

4 Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5 We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

6 Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

7 In our opinion, Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31ST MARCH 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

SILVER TOUCH TECHNOLOGIES LIMITED (FY 2024-25)

Notes forming Part of accounts:

Note 1 - SIGNIFICANT ACCOUNTING POLICIES

i) Company Overview:

Silver Touch Technologies Limited ("the company") is a leading and globally accepted IT Solution Provider and currently at the forefront of Digital Transformation & Emerging Technologies to serve the customers across the world.

The solutions company provide cover top to bottom technical needs including IT Consulting, System Integration Services, Software Development, E-Governance Solutions, Mobility Solutions, website development & maintenance etc. and making everything possible for customer with cybernetics.

The Company is a public limited company incorporated and domiciled in India and has its registered office at 2nd Floor, Saffron Tower, Ambawadi, Ahmedabad 380006, Gujarat, India. The company has its listing on NSE and BSE platform.

ii) Basis Of Preparation

(a) Compliance with Ind-AS

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (IndAS compliant Schedule III), as applicable to the Company's financial statements..

These financial statements for the period ended **31st March, 2025** along with its comparatives prepared under Ind-AS. The Accounting policies are applied consistently to all the periods presented in financial statements,

(b) Historical Cost Convention

The financial statements have been prepared under the historical cost convention on accrual basis of accounting except for the following:

- (a) Defined Benefit Plans are measured at Fair Value.
- (b) Certain Assets and liabilities that are measured at fair value or amortized cost.

(c) Rounding off Amounts

All amounts disclosed in financial statement and notes have been rounded off to the nearest lakhs except when otherwise indicated. The Company's presentation and functional currency is Indian Rupees

iii) Use of Estimates :

The preparation of financial statements in conformity with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the results of operations during the reporting period end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Difference between actual and estimates are recognized in the period in which the results are known/materialised.

In the assessment of the Company, the most significant effects of use of judgments and/or estimates on the amounts recognized in the financial statements are in respect of the following:

- Useful lives of property, plant & equipment;
- Valuation of inventories;
- Assets and obligations relating to employee benefits;
- Evaluation of recoverability of deferred tax assets; and
- Provisions and Contingencies
- Recognition of revenue and allocation of transaction price
- Current tax expense and current tax payable

iv) Current and non-current classification:

The Company presents assets and liabilities in the balance sheet based on current / non-current classification. An asset is classified as current when it satisfies any of the following criteria: it is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle.

- It is expected to be realized within 12 months after the reporting date; or
- It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.
- All other assets are classified as non-current.

A liability is classified as current when it satisfies any of the following criteria:

- It is expected to be settled in the Company's normal operating cycle;
- It is held primarily for the purpose of being traded
- It is due to be settled within 12 months after the reporting date; or the Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.
- All other liabilities are classified as non-current.
- Deferred tax assets and liabilities are classified as non-current only

SILVER TOUCH TECHNOLOGIES LIMITED (FY 2024-25)

v) Fair value measurement:

The Company measures financial instruments such as derivatives and certain investments, at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability or,
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest.

A fair value measurement of a non-financial asset takes into account a market participant’s ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

vi) Property, plant and equipment & Depreciation :

Property, plant and equipment are stated at cost, net of recoverable taxes, less accumulated depreciation and impairment losses if any. Such cost included purchase price, borrowing cost and other cost directly attributable to the acquisition of the items. All other repairs and maintenance are charged to the Statement Profit and Loss during the reporting period in which they are incurred.

Capital work-in-progress includes cost of property, plant and equipment under installation/ under development as at the balance sheet date and are carried at cost, comprising of direct cost and directly attributable cost incurred. Depreciation is not charged until such assets are ready for commercial use.

Depreciation is provided on fixed assets used during the year as per **Straight Line Method** on the basis of useful life of assets and residual value as specified in schedule II of the Companies Act, 2013 except on few assets, where different life has been estimated by the management where assets are for specific project. Depreciation on additions or sale/discard of asset is being provided on pro-rata basis from the date on which such asset is ready to be put to use to date of sale/discard.

The Company provides depreciation on property, plant and equipment using the Straight Line Method. The rates of depreciation are arrived at, based on useful lives estimated by the management as follows:

Block of assets	Estimated useful life (in years)
Office Buildings	15-60
Office equipment	3-10
Furniture and fixtures	3-15
Computer and Peripherals	3-10
Vehicles	5-20

The residual value are not more than 5% of original cost of asset. The Asset residual values and useful life are reviewed and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposal are determined by comparing proceeds with carrying amount. These are included in Statement of Profit and Loss.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

SILVER TOUCH TECHNOLOGIES LIMITED (FY 2024-25)

vii) Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost.

Following initial recognition, intangible assets are carried at cost less accumulated amortisation and accumulated impairment losses, if any.

The useful lives of intangible assets are assessed as either finite or indefinite. There are no intangible assets assessed with indefinite useful life.

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets with finite lives is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset. Gain or losses arising from the derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognised.

Intangible assets are amortised on straightline basis as follows:

Block of assets	Estimated useful life (in years)
Computer softwares	3-6

viii) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(i) Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Group commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:
- Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:
a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade and other receivables.

- Debt instrument at fair value through other comprehensive income (FVTOCI)

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:
(a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
(b) The asset's contractual cash flows represent SPPI.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognised in the other comprehensive income (OCI). However, the Group recognises interest income, impairment losses & reversals and foreign exchange gain or loss in the P&L. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to P&L. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

-Debt instrument at fair value through profit and loss (FVTPL)

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorisation as at amortised cost or as FVTOCI, is classified as at FVTPL. In addition, the Group may elect to designate a debt instrument, which otherwise meets amortised cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). The Group has not designated any debt instrument as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognised in the P&L.

SILVER TOUCH TECHNOLOGIES LIMITED (FY 2024-25)**- Equity investments**

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognised by an acquirer in a business combination to which Ind AS103 applies are classified as at FVTPL. For all other equity instruments, the Group may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value, the Group makes such election on an instrument by- instrument basis. The classification is made on initial recognition and is irrevocable.

If the Group decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognised in the OCI. There is no recycling of the amounts from OCI to statement of profit and loss, even on sale of investment. However, the Group may transfer the cumulative gain or loss within equity. Equity instruments included within the FVTPL category are measured at fair value with all changes recognised in the statement of profit and loss.

Derecognition

A financial asset (or, where applicable, apart of a financial asset or part of a Group of similar financial assets) is primarily derecognised (i.e. removed from the Group's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- the Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows.

(ii) Financial liabilities**Initial recognition and measurement**

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Group's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

-Financial Liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Group that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments. Gains or losses on liabilities held for trading are recognised in the statement of profit and loss. Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains / losses attributable to changes in own credit risk are recognised in OCI. These gains / loss are not subsequently transferred to statement of profit and loss. However, the Group may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss. The Group has not designated any financial liability as at fair value through profit and loss.

- Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in statement of profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by considering any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

- Financial guarantee contracts

Financial guarantee contracts issued by the Group are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

SILVER TOUCH TECHNOLOGIES LIMITED (FY 2024-25)**(iv) Reclassification of financial assets**

The Group determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Group's senior management determines change in the business model as a result of external or internal changes which are significant to the Group's operations. Such changes are evident to external parties. A change in the business model occurs when the Group either begins or ceases to perform an activity that is significant to its operations. If the Group reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Group does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

(v) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

ix) Compound financial instruments

Compound Financial instruments are separated into liability and equity components based on the terms of the contract. On issuance of the compound financial instruments, the fair value of the liability component is determined using a market rate for an equivalent non-convertible instrument. This amount is classified as an financial liability measured at amortised cost (net of transaction costs) until it is extinguished on conversion or redemption. The remainder of the proceeds is allocated to the conversion option that is recognised and included in equity since conversion option meets Ind AS 32 criteria for fixed to fixed classification. Transaction costs are deducted from equity, net of associated income tax. The carrying amount of the conversion option is not remeasured in subsequent years.

Transaction Costs are apportioned between the liability and equity components of the compound financial instruments based on the allocation of proceeds to the liability and equity components when the instruments are initially recognised.

x) Segment Reporting

The company's Business Segment is 'Computers & IT Services' and it has no other primary reportable segments. Geographical revenues are segregated based on the location of the customer who is invoiced or in relation to which the revenue is otherwise recognized. Customer relationships are driven based on the location of the respective clients. Company's business activities outside India are spread mainly in United Kingdom, USA, Canada & France . Hence, there are two reportable segment of company viz., Domestic & Exports

xi) Investment in subsidiaries, associates, and joint venture

The Company has accounted for its investment in subsidiaries or associates or joint venture at cost less impairment. The Company assesses investments in subsidiaries, associates and joint venture for impairment whenever events or changes in circumstances indicate that the carrying amount of the investment may not be recoverable. If any such indication exists, the Company estimates the recoverable amount of the investment in subsidiary, associate or joint venture. The recoverable amount of such investment is the higher of its fair value less cost of disposal (FVLCD) and its value-in-use (VIU). The VIU of the investment is calculated using projected future cash flows. If the recoverable amount of the investment is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the statement of profit and loss.

Investment in a subsidiary or an associate or a joint venture acquired in stages are accounted after re-measuring the equity interest held up to the date on which control or significant influence was first achieved, at its fair value on date of obtaining control or significant influence.

xii) Inventories :

Inventories are valued at the lower of cost and net realisable value. Costs incurred in bringing the inventory to its present location and condition are included in the cost of inventories.

Hardware and Supplies

Carried at lower of cost and net realisable value. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale. Cost is determined on first in, first out basis.

xi) Cash and Cash Equivalents:

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents.

Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

xii) Cashflows

Cash Flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated. The Company considers all highly liquid investments that are readily convertible to known amounts of cash to be cash equivalents.

xiii) Borrowing costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

SILVER TOUCH TECHNOLOGIES LIMITED (FY 2024-25)

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. Other borrowing costs are expensed in the period in which they are incurred and are recognised in the statement of profit and loss.

xiv) Employee benefits

(a) Short-term obligations

Liabilities for wages and salaries, including nonmonetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. These liabilities are presented as current liabilities in the balance sheet

(b) Other long-term employee benefit obligations

The liabilities for earned leave and sick leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

(c) Post-employment obligations

The Company operates the following postemployment schemes:

- (a) defined benefit plans such as gratuity; and
- (b) defined contribution plans such as provident fund, employees state insurance taxes.

Gratuity obligations

The liability or asset recognised in the balance sheet in respect of defined benefit pension and gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation denominated in is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. The benefits which are denominated in currency other than, the cash flows are discounted using market yields determined by reference to high-quality corporate bonds that are denominated in the currency in which the benefits will be paid, and that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in OCI. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in statement of profit and loss as past service cost.

Defined contribution plans

The Company pays provident fund and employees state insurance contributions to publicly administered provident funds as per local regulations. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

xv) Investments :

Investments are classified as Current Investments and non-current Investments. The investments that are readily realizable and intended to be held for not more than a year are classified as current investments. Current Investments are stated at lower of cost and net realizable value. A provision for diminution is made to recognize a decline, other than temporary, in the value of Non-current Investments.

xvi) Revenue Recognition :

Sale of Services:

The Company uses the percentage-of-completion method in accounting for its fixed-price contracts. The use of the percentage-of-completion method requires the Company to estimate the efforts or costs expended to date as a proportion of the total efforts or costs to be expended. Efforts or costsexpended have been used to measure progress towards completion as there is a direct relationship between inputand productivity. Provisions for estimated losses, if any, on uncompleted contracts are recorded in the period in which such losses become probable based on the expected contract estimates at the reporting date.

Sale of Goods:

Revenue is measured at the fair value of the consideration received or receivable. The Company recognises revenues on sale of products, net of discounts, sales incentives, rebates granted, returns, sales taxes/GST and duties when the products are delivered to customer or when delivered to a carrier for export sale, which is when title and risk and rewards of ownership pass to the customer. Export incentives are recognised as income as per the terms of the scheme in respect of the exports made and included as part of export turnover.

Dividend and interest income:

Dividend income from investments is recognised when the shareholder's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably). Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

SILVER TOUCH TECHNOLOGIES LIMITED (FY 2024-25)

Lease Income Recognition

Short-term Leases (Leases with a Term of 12 Months or Less):

The Company classifies leases with a term of 12 months or less as short-term leases.

As per Ind AS 116, the Company has opted to not apply the full recognition requirements for short-term leases. Instead, lease income from such leases is recognized on a straight-line basis over the lease term, unless another method more appropriately reflects the pattern in which the benefit from the leased asset is derived.

Revenue Recognition:

Lease income is recognized as revenue over the lease term in a manner that reflects the time pattern in which the use of the leased asset is provided to the lessee.

Straight-line basis will be the preferred method of recognition unless another basis is more appropriate (e.g., for variable lease payments based on usage or other criteria).

If the lease payments vary (such as with escalations or based on performance), income is recognized in accordance with the terms of the lease and the pattern of use of the leased asset.

Variable Lease Payments:

For variable lease payments, lease income is recognized as and when the payments become due or as the related variable factor is

Initial Direct Costs:

Initial direct costs incurred in negotiating and arranging short-term leases are expensed immediately as incurred, in line with the recognition of lease income.

Practical Expedients:

The Company applies the practical expedient available under Ind AS 116 for leases with a term of 12 months or less by not recognizing lease liabilities or right-of-use assets for these leases.

xvii) Impairment of Assets :

(i) Financial assets (other than at fair value)

The Company assesses at each date of Balancesheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognises lifetime expected losses for all contract assets and/or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk or the financial asset has increased significantly since initial recognition.

(ii) Non-financial assets

Tangible and intangible assets

Property, plant and equipment and intangible assets within finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the statement of profit and loss.

xviii) Earning per Share :

(i) Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the Company
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares

(ii) Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares

xix) Provisions, Contingent Liabilities and Contingent Assets :

A provision is recognised when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits and compensated absences) are not discounted to its present value unless the effect of time value of money is material and are determined based on best estimate required to settle the obligation at the Balance sheet date. These are reviewed at each Balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities and Assets are not recognised in the financial statements.

SILVER TOUCH TECHNOLOGIES LIMITED (FY 2024-25)

xx) Foreign Currency Transactions :

(i) Functional and presentation currency

Items included in the financial statements of the entity are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (₹), which is entity's functional and presentation currency.

(ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in statement of profit or loss. Non monetary assets and liabilities that are measured in terms of historical cost in foreign currencies are not retranslated. Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined.

xxi) Income taxes:

(i) Current income taxes

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the Group operates and generates taxable income.

Current income tax relating to items recognised outside statement of profit or loss is recognised outside statement of profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate. Advance taxes and provisions for current income taxes are presented in the Balance sheet after off-setting advance tax paid and income tax provision arising in the same tax jurisdiction and where the relevant tax paying units intends to settle the asset and liability on a net basis.

(ii) Deferred income taxes

Deferred income tax is recognised using the Balance sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred income tax asset are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be Utilised.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using substantively enacted tax rates expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled.

Deferred tax assets and liabilities are offset when they relate to income taxes levied by the same taxation authority and the relevant entity intends to settle its current tax assets and liabilities on a net basis.

Deferred tax assets include Minimum Alternate Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future economic tax liability. Accordingly, MAT is recognised as deferred tax asset in the Balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realised.

The Group recognises interest levied and penalties related to income tax assessments in finance costs.

Leases

The Company as a lessee

The Company's lease asset classes consist of leases for land, buildings and computers. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether :

- (i) the contract involves the use of an identified asset
- (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- (iii) the Company has the right to direct the use of the asset. At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

As a lessee, the Company determines the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to Infosys's operations taking into account the location of the underlying asset and the availability of suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances. Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

SILVER TOUCH TECHNOLOGIES LIMITED (FY 2024-25)

ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right-of-use-assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs. The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right-of-use asset if the Company changes its assessment to whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows. The Company as a lessor Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases. When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease. For operating leases, rental income is recognized on a straight-line basis over the term of the relevant lease.

xxii) Recent accounting pronouncements:

The Ministry of Corporate Affairs (MCA) notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, as below :

Ind AS 1, Presentation of Financial Statements – This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and the impact of the amendment is insignificant in the standalone financial statements. Ind AS 8, Accounting Policies, Changes in Accounting Estimates and Errors – This amendment has introduced a definition of ‘accounting estimates’ and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and there is no impact on its Standalone financial statements. Ind AS 12, Income Taxes – This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and there is no impact on its Standalone financial statements.

Details of rights, preferences and restrictions attached to the shares

The Company has only one class of equity shares having a par value of ₹ 10/- per share. Each holder of equity share is entitled to one vote per share.

In the event of liquidation, the equity shareholders are eligible to receive the remaining assets of the Company after distribution of all preferential amounts, in proportion to their shareholding.

The Company doesnot have any holding Company.

As per records of the company, including its register of share holders/members and other declaration received from the share holders regarding beneficial interest, the above share holding represents both legal and beneficial ownership of shares.

Nature and purpose of reserves

(i) Securities premium

Securities premium reserve is used to record the premium on issue of shares. The reserve is utilised in accordance with the provisions of the Act.

(ii) Retained earnings

The amount that can be distributed by the Company as dividends to its equity shareholders is determined based on the balance in this reserve and also considering the requirements of the Companies Act, 2013.

(iii) General Reserve

General reserve is referred to as the reserve fund that is created by keeping aside a part of profit earned by the business during the course of an accounting period for fulfilling various business needs like meeting contingencies, offsetting future losses, enhancing the working capital, paying dividends to the shareholders, etc.

(iv) Other Comprehensive income

- a) The fair value change of the equity instruments measured at fair value through other comprehensive income is recognised in equity instruments through Other Comprehensive Income
- b) The remeasurement gain/(loss) on net defined benefit plans is recognised in Other Comprehensive Income net of tax.

W.R. x 90%	5,46,38,238	4,24,97,388
(% Change)	0.82%	0.50%

(vi) A Description of any Asset-Liability Matching Strategies

i) It was informed by the company that Gratuity Benefits liabilities of the company are Unfunded

ii) There are no minimum funding requirements for a Gratuity Benefits plan and there is no compulsion on the part of the Company to fully or partially pre-fund the liabilities under the Plan.

Since the liabilities are unfunded, there is no Asset-Liability Matching strategy device for the plan resulting into non existence of Plan Assets .

Defined Benefits plan for Leave Encashment

(Amount in ₹ Lakhs)

Particulars	Current Year	Previous Year

h) where a provision is made with respect to a liability incurred by entering into a contractual obligation, the movements in the provision during the year should be shown separately	Not applicable	Not applicable

Note 43 Ind AS 116 Leases

The Accounting Standard Board has issued an exposure draft on Ind AS 116, Leases, with a proposed effective date of 1st April, 2019, subject to notification by Ministry of Corporate Affairs and Ind AS 116 supersedes Ind AS 17 'Leases'. Ind AS 116, "Leases" will be applicable on the companies which are preparing their financial statements as per Ind AS.

Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognise assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. A lessee is required to recognise a right-of-use asset representing its right to use the underlying leased asset and a lease liability representing its obligation to make lease payments.

Particulars	Current Year	Previous Year
(i) Not later than a year	00.00	00.00
(ii) Later than a year but not later than five years	00.00	00.00
(iii) More than five years	00.00	00.00
Total	00.00	00.00

SILVER TOUCH TECHNOLOGIES LIMITED (FY 2024-25)

Note 44 Following ratios are hereby disclosed:

Sr. No	Particulars	(Amount in ₹ Lakhs)		2024-25	2023-24	% Change	Reason for deviation by more than 25%
		2024-25	2023-24				
1	Current Ratio,	16482.52	11785.45	1.99	3.12	-36.13	Due to mainly on account of higher short-term borrowings and other current obligations. Although current assets have also increased, the rise in current liabilities has been proportionately higher, resulting in a reduced current ratio.
	Current Assets / Current Liabilities	8276.73	3779.76				
2	Debt-Equity Ratio,	4342.02	1080.22	0.33	0.10	235.00	due to a rise in borrowings to meet the funding requirements for business expansion and operational working capital. The shareholders' equity remained relatively constant, leading to a sharp increase in the ratio.
	Non Current Borrowing + Current Borrowing /Shareholder Equity	13080.27	10901.47				
3	Debt Service Coverage Ratio,	3909.30	2627.33	1.08	16.80	-93.58	due to increase in interest and principal repayments during the year under review. While operating profits have improved, the higher repayment obligations resulting from new borrowings have led to a decline in the debt service coverage capacity.
	Profit before Tax + Interest on Term Loan & Debentures+Non-cash operating expenses / Interest on Term Loan & Debentures + Principal Repayments made during the period for long term Loans.	3627.77	156.41				
4	Net profit ratio,	2268.82	1582.73	0.09	0.08	11.16	NOT Required
	(Profit After Tax/Sales)*100	26663.16	20676.58				
5	Inventory turnover ratio,	20895.93	16767.86	213.97	260.14	-17.75	NOT Required
	Cost of goods sold /Average Inventories	97.66	64.46				
6	Trade Receivables turnover ratio,	26663.16	20676.58	3.51	3.32	5.69	NOT Required
	Net Credit Sales/Average Trade Receivable	7595.63	6225.30				
7	Trade payables turnover ratio,	3764.32	2659.85	2.19	1.30	68.29	The increase in the trade payables turnover ratio is mainly due to higher net credit purchases during year, coupled with a reduction in average trade payables. This indicates faster payment cycles and improved management of supplier obligations.
	Net Credit Purchase/Average Trade Payables	1716.48	2041.08				
8	Net capital turnover ratio,	26663.16	20676.58	3.25	2.58	25.81	Due to a significant rise in revenue from operations, while the average working capital remained relatively stable. This indicates improved efficiency in utilizing working capital to generate revenue and reflects better operational performance and capital management.
	Sales/Average Working Capital	8205.80	8005.70				
9	Return on Equity Ratio / Return on Investment,	2268.82	1582.73	0.19	0.16	20.94	NOT Required
	(PAT/Avg. Eq.Shareholders Fund)*100	11990.87	10116.59				
10	Return on Capital employed,	3407.44	2273.12	0.19	0.19	3.01	NOT Required
	Operating Profits(EBIT)/Capital Employed(Net Assets)*100	17496.38	12023.30				

Note 45 Financial instruments

Capital management

The Company manages its capital to ensure that the Company will be able to continue as a going concern while maximising the return to stakeholders through the optimisation of the debt and equity balance.
The capital structure of the Company consists of net debt and total equity of the Company.

1 Gearing ratio

The gearing ratio at the end of the reporting period was as follows.

(Amount in ₹ Lakhs)

Particulars	As at	As at
	March 31, 2025	March 31, 2024
Debt	4342.02	1080.22
Cash and bank balances	1380.79	553.98
Net debt	2961.23	526.24
Total equity	13080.27	10901.47
Net debt to equity ratio	0.23	0.05

Debt is defined as long-term and short term borrowing

2 Categories of financial instruments

(Amount in ₹ Lakhs)

Particulars	As at		As at	
	March 31, 2025		March 31, 2024	
	Carrying values	Fair values	Carrying values	Fair values
Financial assets - Measured at amortised cost

Total Financial Assets (A+B)	17093.70	17093.70	12211.16	12211.16
Financial liabilities - Measured at amortised cost				
Non-current liabilities				
Non-current borrowings *	706.79	706.79	697.41	697.41
Other financial liabilities	405.33	405.33	589.91	589.91
Current liabilities				
Short-term borrowings	3635.23	3635.23	382.81	382.81
Trade payables	1517.39	1517.39	1915.58	1915.58
Other financial liabilities	615.40	615.40	539.79	539.79
Provisions	2349.76	2349.76	884.15	884.15
Total Financial Liabilities	9229.89	9229.89	5009.65	5009.65

For financial liabilities (domestic currency loans) :- appropriate market borrowing rate of the entity as of each balance sheet date used.

3 Financial risk management objectives

The Company's Corporate finance department provides services to business, co-ordinates access to domestic and international financial markets, monitors and manages the financial risks relating to the operations of the Company through internal risk reports which analyse the exposures by degree and magnitude of risks. These risks include market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk.

4 Market risk

The Company's activities expose it primarily to the financial risks of changes in interest rates due to variable interest loans. . The Company does not enter into derivative contracts to manage risks related to anticipated sales and purchases.

5 Foreign currency risk management

The Company undertakes transactions denominated in foreign currencies; consequently, exposures to exchange rate fluctuations arise. Exchange rate exposures are managed within approved policy parameters utilizing forward foreign exchange contracts and currency options taken at the time of initiation of the booking by the management. Such decision is taken after considering the factors such as upside potential, cost of structure and the downside risks etc. Quarterly reports are submitted to Management Committee on the covered and open positions and MTM valuation.

The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows.

There are no such transactions during the reporting period

5.1 Foreign currency sensitivity analysis

The Company is not materially exposed to USD and EURO currency or any other foreign currencies.

6 Interest rate risk management

The Company is exposed to interest rate risk because funds are borrowed at both fixed and floating interest rates. Interest rate risk is measured by using the cash flow sensitivity for changes in variable interest rate. The Company has exposure to interest rate risk, arising principally on changes in interest rates. The Company uses a mix of interest rate sensitive financial instruments to manage the liquidity and fund requirements for its day to day operations like long term and short term loans. The risk is managed by the Company by maintaining an appropriate mix between fixed and floating rate borrowings. Hedging activities are evaluated regularly to align with interest rate views and defined risk appetite, ensuring the most cost-effective hedging strategies are applied.

The table in 6.1 provides a break-up of the Company's fixed and floating rate borrowings:

6.1 Interest rate sensitivity analysis

The sensitivity analyses below have been determined based on the exposure to interest rates for both derivatives and non-derivative instruments at the end of the reporting period. For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

The following table provides a break-up of the Company's fixed and floating rate borrowings and interest rate sensitivity analysis.

(Amount in ₹ Lakhs)

Particulars	As at March 31, 2025		As at March 31, 2024	
	Gross amount	Interest rate sensitivity @0.50%	Gross amount	Interest rate sensitivity @0.50%
Fixed Loan	80.47	NA	219.51	NA
Variable Loan	692.00	03.46	336.34	01.68
Total	772.47	03.46	336.34	01.68

7 Credit risk management

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration risks. The Company has adopted a policy of only dealing with creditworthy counterparties and obtaining sufficient collateral, where appropriate, as a means of mitigating the risk of financial loss from defaults. The Company uses publicly available financial information and its own trading records to rate its major customers. The Company's exposure and the credit ratings of its counterparties are continuously monitored and the aggregate value of transactions concluded is spread amongst approved counterparties.

Trade receivables consists of a large number of customers, spread across diverse geographical areas. Ongoing credit evaluation is performed on the financial condition of accounts receivable.

The Company does not have significant credit risk exposure to any single counterparty. Concentration of credit risk related to the above mentioned company did not exceed 10% of gross monetary assets at any time during the year. Concentration of credit risk to any other counterparty did not exceed 10% of gross monetary assets at any time during the year.

7.1 Collateral held as security and other credit enhancements

The Company does not hold any collateral or other credit enhancements to cover its credit risk associated with its financial assets.

8 Liquidity risk management

Liquidity risk refers to the risk of financial distress or extraordinary high financing costs arising due to shortage of liquid funds in a situation where business conditions unexpectedly deteriorate and requiring financing. Ultimate responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework for the management of the Company's short, medium and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

Disclosure as per Ind AS 113 - Fair Value Measurements

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in an orderly transaction in the principal (or most advantageous) market at measurement date under the current market condition regardless of whether that price is directly observable or estimated using other valuation techniques.

The Company has established the following fair value hierarchy that categorizes the values into 3 levels. The inputs to valuation techniques used to measure fair value of financial instruments are:

Level 1 - Level 1 hierarchy includes financial instruments measured using quoted prices. This Includes listed equity instruments that have quoted price. Listed and actively traded equity instruments are stated at the last quoted closing price on the National Stock Exchange of India Limited (NSE).

Level 2 - The fair value of financial instruments that are not traded in active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3 - If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. The fair value of the financial assets and liabilities included in Level 3 is determined in accordance with generally accepted pricing models based on discounted cash flow analysis using prices from observable current market transactions and dealer quotes of similar instruments.

Valuation Techniques used to determine fair values:

A) Specific valuation technique is used to determine the fair value of the financial instruments which include:

i) For financial instruments other than (ii):- In accordance with generally accepted pricing models based on Net Asset Value analysis using prices from observable market transactions and dealer quotes of similar instruments.

ii) For financial liabilities (domestic currency loans) :- appropriate market borrowing rate of the entity as of each balance sheet date used.

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods and its non-derivative financial assets. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay.

Note 48 No proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made there under.

Note 49 Disclosure with respect to borrowings from banks or financial institutions on the basis of security of current assets:
(a) The quarterly returns or statements of current assets filed by the Company with banks or financial institutions are in agreement with the books of accounts except below:

Quarter	Particulars	Amt as per Books (₹ In lakhs)	Amt as per Bank statement (₹ In lakhs)	Difference (₹ In lakhs)	Remarks Remarks / Reason for Discrepancy
4th	Debtors statement	8,040	8,026	13.28	The variance is due to reconciliation of balances at the time of audit. As the unaudited statements were submitted. However, they are not material in nature

Note 50 The company is not declared as a wilful defaulter by any bank or financial institution or other lender.

Note 51 During the company has let out the Plant and machinary, Furnitures and other equipments to its Subsidiary Vision Autotests Private Limited on lease and earned revenue of Rs. 82,50,000/-

Note 52 The company is not having any relationship with companies struck off under section 248 of the Companies Act, 2013 or section 560 of Companies Act, 1956:

Note 53 There has not been any delay in registering the charges or satisfaction with Registrar of Companies beyond the statutory period.

Note 54 The company has complied with the number of layers prescribed under clause (87) of section 2 of the Act read with Companies (Restriction on number of Layers) Rules, 2017

Note 55 The company has not undergone through any Scheme of Arrangements that has been approved by the Competent Authority in terms of sections 230 to 237 of the Companies Act, 2013

Note 56 There are no transactions which are not recorded in the books of accounts and that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (such as, search or survey or any other relevant provisions of the Income Tax Act, 1961)

Note 57 The Company has not traded or invested in Crypto currency or Virtual Currency during the financial year.

Note 58 Balances of Secured Loans, unsecured loans, Debtors, Creditors for goods, creditors for expenses, loans and advances and advance from customers are subject to confirmation.

Note 59 The company has credited Rs.5,245.59 Lakhs (previous year Rs.2,658.21 Lakhs) to its revenue in profit and loss statement as Accrued revenue, whose services are already rendered but invoices are made after the balance sheet date but before the reporting date. Such treatment is given as per the various agreement/contracts with client which requires the company to raise invoice in the following month of completion of services. Hence, the company has not made provision for GST liability over the same as on balance sheet date, but company has accounted for the GST liability on such revenue as and when the invoices are generated before the reporting date.

Note 60 The Company (STTL India) used SAP B1 for maintaining its transactions for the year, which have a feature of recording audit trail (edit log) facility. The audit trail facility has been operated throughout the year and it was implemented for all the branches. Further, the audit trail feature has not been tampered with in accounting software. Other Indian Subsidiary Companies i.e Vision Autotest & Silvertouch Autotech were maintaining accounting in Tally ERP 9, in which Audit Trail Feature is enabled throughout the year.

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of M/s. SILVER TOUCH TECHNOLOGIES LIMITED ("the Holding Company") and its subsidiaries ("the Group"), which comprise the Consolidated Balance Sheet as at 31ST MARCH 2025, the Consolidated Statement of Profit & Loss and Consolidated cash flow statement for the year then ended and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, its associates and jointly controlled entities as at March 31, 2025, of consolidated profit/loss, and its consolidated cash flows for the year then ended.

Basis of Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group, its associates and jointly controlled entities in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in India in terms of the Code of Ethics issued by ICAI and the relevant provisions of the Companies Act, 2013, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have nothing to report in this regard.

Information Other than the Financial Statements and Auditor’s Report Thereon

The Company's Board of Directors is responsible for the preparation of other information, Which comprises the information included in the Board's report including Annexures to Board's report, but does not include the consolidated financial statements and our Responsibilities to report thereon. The Company's Annual Report is expected to be made available to us after the date of this Audit Report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report the fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Company’s Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are responsible for assessing the ability of the Group and of its associates and jointly controlled entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are responsible for overseeing the financial reporting process of the Group and of its associates and jointly controlled entities.

Auditor’s Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- 1 Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2 Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- 3 Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4 Conclude on the appropriateness of management’s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates and jointly controlled entities to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor’s report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor’s report. However, future events or conditions may cause the Group and its associates and jointly controlled entities to cease to continue as a going concern.
- 5 Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6 Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates and jointly controlled entities to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor’s report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

(a) Consolidated Financials have been prepared on the basis of consolidating financials of following five subsidiaries / JVs:

Sr. No.	Name of Subsidiary	Country of Inc	Extent of Holding
1	Silver Touch Technologies (UK) Ltd	UK	100%
2	Silver Touch Technologies Inc.	USA	100%
3	Silver Touch Technologies Canada Limited	Canada	100%
4	Vision Auto Tests Pvt. Ltd. (Fromally known as Shark Identity Pvt Ltd)	India	100%
5	Silvertouch Autotech Private Limited	India	100%
6	AI4PHARMA TECH LIMITED	India	50.09%

We have audited the financial statement of above mentioned Indian subsidiaries whose financial statements reflect total assets of Rs. 645.87 lakhs as at 31st March 2025 , total revenues from operations of Rs. 72.34 lakhs for the year ended on that date, as considered in the consolidated financial statements.

Financial Statement of one JV, Lime Software (UK) Ltd has not been considered as details of the same not available with management. Further, in case of another JV, Silver Touch Technologies SAS is in sleeping mode. Therefore, these JVs are not Consolidated.

Financial Statements of Foreign Subsidiaries are unaudited and have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries / JVs, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act in so far as it relates to the aforesaid subsidiaries / JVs, is based solely on such unaudited financial statements.

Financial Statements of Indian subsidiary, Vision Autotests Private Limited (Previously known as Shark Identity Pvt Ltd) & Silver Touch Autotech Pvt. Ltd.,AI4Pharma Tech Limited have been audited by us and are in accordance with the 'Code of Ethic' issued by the Institute of Chatered Accountant and are prepared and presented as per financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

(b) Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the Management

Report on Other Legal and Regulatory Requirements

As acquired by section 143(3) of the Act, we report that:

- a. We have obtain all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of aforesaid Consolidated Financial Statements;
- b. In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
- c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
- d. In our opinion, the aforesaid Consolidated financial statements, comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
- e. On the basis of written representations received from the directors of the Holding Company as on 31ST MARCH 2025, and taken on record by the Board of Directors of the Holding Comapny, none of the directors is disqualified as on 31ST MARCH 2025, from being appointed as a director in terms of Section 164(2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A";
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i There is no pending litigation that may have impact on its financial statements;
 - ii The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;

- iii There is no amount to be transferred to Investors Education Protection Fund by the Holding Company.
 - iv The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - v The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - vi Based on such audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
 - vii There is no interim dividend declared and paid by the company, during the year in accordance with section 123 of the Companies Act, 2013.
 - viii Based on our examination, which included test checks, the Holding Company and Its Indian Subsidiaries has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and that has operated throughout the year for all relevant transactions recorded in the software and for direct database changes throughout the year. Further, during the course of performing our procedures, we did not notice any instance of audit trail feature being tampered with in cases where the audit trail feature was enabled or audit trail not preserved by the Company as per the statutory requirements for record retention.
- h. With respect to the matter to be included in the Auditors' Report under section 197(16):
- i. In our opinion and according to the information and explanations given to us, the remuneration paid by the company to its directors during the current year is in accordance with the provisions of Section 197 of the Act.

INDEPENDENT AUDITORS' REPORT ON INTERNAL FINANCIAL CONTROL

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

- 1 We have audited the internal financial controls over financial reporting of Silver Touch technologies Limited (Holding Company) and its subsidiary companies, which are incorporated in India, as at 31ST MARCH 2025 in conjunction with our audit of the Balance Sheet, Statement of Profit & loss, Cash Flow statement & notes forming part of financial statement.

Management’s Responsibility for Internal Financial Controls

- 2 Management of the Company and its subsidiary companies, which are incorporated in India, are responsible for establishing and maintaining internal financial controls based on the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (‘the Guidance Note’) issued by the Institute of Chartered Accountants of India (‘the ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required by The Companies Act, 2013 (‘the Act’).

Auditor’s Responsibility

- 3 Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company and its subsidiary companies, which are incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing (‘the Standards’), issued by the ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
- 4 Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
- 5 We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting of the Company and its subsidiary companies, which are incorporated in India.

Meaning of Internal Financial Controls Over Financial Reporting

6 Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

7 In our opinion and to the best of our information and according to the explanation given to us,the Company and its subsidiary companies, which are incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

CONSOLIDATED AUDITED STATEMENT OF PROFIT & LOSS A/C FOR THE YEAR ENDED ON 31ST MARCH 2025

(Amount in ₹ Lakhs)				
Particulars		Note No.	31ST MARCH 2025	31ST MARCH 2024
I. Revenue from operations				
Sales & Operational Revenue		24	28838.01	22430.29
II. Other income		25	332.69	297.43
III. Total Revenue (I + II)			29170.71	22727.73
IV. Expenses:				
Purchases of Stock-in-Trade & Services		26	4767.96	3237.58
Changes in inventories of Stock-in-Trade		27	(61.56)	(4.84)
Employee benefits expense		28	13740.06	10899.29
Finance costs		29	387.13	147.44
Depreciation and amortization expense		2	705.03	496.95
Operations & Other Expenses		30	6639.90	5798.66
Total expenses			26178.51	20575.08
V. Profit before tax (III- IV)			2992.19	2152.64
VI. Tax expense:		17		
(1) Current tax			711.00	560.00
(2) Deferred tax			41.39	(22.55)
(3) Prior Period Tax Adjustment			20.23	8.95
			772.62	546.41
VII. Profit/(Loss) for the period (V - VI)			2219.57	1606.24
VIII. Other Comprehensive Income				
A. (i) Items that will not be reclassified to profit or loss				
(a) Remeasurement of Defined Benefit Plans			16.44	20.05
(b) Equity Instrument through OCI			19.11	(2.71)
(c) Changes in revaluation surplus			0.00	0.00
(ii) Income tax relating to items that will be reclassified to profit or loss				
(a) Remeasurement of Defined Benefit Plans			(4.14)	(5.05)
(b) Equity Instrument through OCI			(4.81)	0.68
(c) Changes in revaluation surplus			0.00	0.00
B. (i) Items that will be reclassified to profit or loss				
(a) Unrealized Gain loss on a foreign Loan transfer to OCI			0.00	(0.90)
(b) Exchange differences in translating the financial statements of foreign operations			62.04	(49.55)
(ii) Income tax relating to items that will be reclassified to profit or loss				
(a) Unrealized Gain loss on a foreign Loan transfer to OCI			0.00	0.23
(b) Exchange differences in translating the financial statements of foreign operations			(15.62)	12.47
			73.03	(24.78)
IX. Total Comprehensive Income for the period (VII-VIII)			2146.54	1631.01
X Profit/(Loss) for the year attributable to:				
Shareholders of the Company			2219.70	0.00
Non-controlling interests			(0.12)	0.00
			2219.57	0.00
XI Other Comprehensive Income attributable to:				
Shareholders of the Company			(73.03)	0.00
Non-controlling interests			0.00	0.00
			(73.03)	0.00
XII Total Comprehensive Income attributable to				
Shareholders of the Company			2146.67	0.00
Non-controlling interests			(0.12)	0.00
			2146.54	0.00
XIII. Earnings per equity share (Face Value ₹ 10 per share)				
(1) Basic			17.50	12.67
(2) Diluted			17.50	12.67
Weighted average number of shares			1,26,81,000	1,26,81,000

SILVER TOUCH TECHNOLOGIES LIMITED (F.Y. 2024-25)

Notes forming Part of accounts:

Note 1 SIGNIFICANT ACCOUNTING POLICIES

i) Company Overview:

Silver Touch Technologies Limited ("the company") is a leading and globally accepted IT Solution Provider and currently at the forefront of Digital Transformation & Emerging Technologies to serve the customers across the world.

The solutions company provide cover top to bottom technical needs including IT Consulting, System Integration Services, Software Development, E-Governance Solutions, Mobility Solutions, website development & maintenance etc. and making everything possible for customer with cybernetics.

Silver Touch Technologies Limited ("the company") with its subsidiaries and Joint ventures is hereinafter referred to as "Group".

The Company is a public limited company incorporated and domiciled in India and has its registered office at 2nd Floor, Saffron Tower, Ambawadi, Ahmedabad 380006, Gujarat, India. The company has its listing on NSE BSE platform.

ii) Basis Of Preparation

(a) Compliance with Ind-AS

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (IndAS compliant Schedule III), as applicable to the Company's financial statements..

These financial statements for the half year ended 31st March 2025 along with its comparatives prepared under Ind-AS. The Accounting policies are applied consistently to all the periods presented in financial statements,

(b) Historical Cost Convention

The financial statements have been prepared under the historical cost convention on accrual basis of accounting except for the following:

(a) Defined Benefit Plans are measured at Fair Value.

(b) Certain Assets and liabilities that are measured at fair value or amortized cost.

(C) Rounding off Amounts

All amounts disclosed in financial statement and notes have been rounded off to the nearest lakhs except when otherwise indicated. The Company's presentation and functional currency is Indian Rupees

iii) Principles of consolidation :

The Consolidated financial Statement comprise the financial statement of the company and entities controlled by the company and its subsidiary, joint venture and Associates as at 31st March 2025.

The financial statements of the Company and its subsidiary companies have been combined on a line-by-line basis by adding together like items of assets, liabilities, income and expenses. Inter-company balances and transactions and unrealised profits or losses have been fully eliminated.

Financials for following Subsidiaries, joint venture and Associates have been consolidated in attached consolidated financial statements:

Sr. No.	Name of Subsidiary	Country of Inc	Extent of Holding
1	Silver Touch Technologies (UK) Ltd	UK	100%
2	Silver Touch Technologies Inc.	USA	100%
3	Silver Touch Technologies Canada Limited	Canada	100%
4	Vision Auto Tests Pvt. Ltd. (Formerly known as Shark Identity Pvt Ltd)	India	100%
5	Silvertouch Autotech Private Limited	India	100%
6	AI4PHARMA TECH LIMITED	India	50.09%

Consolidation Procedure

(a) Combine items of assets, liabilities equity, income , expense, and cashflows of the parent with those of its subsidiaries. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognized in the consolidated financial statement at the acquisition dates.

(b) Offset (eliminate) the carrying amount of the parent's investment in such subsidiary and the parent's portion of equity of each subsidiary.

(c) Eliminate in full intragroup assets and liabilities, equity, income, expense, and cash flows relating to the transactions between entities of the group (profits or losses resulting from intragroup transactions that are recognised in assets, such as inventory and fixed assets, are eliminated in full). Intragroup losses may indicate an impairment that requires recognition in the consolidated financial statements. Ind AS 12 Income Taxes applies to temporary differences that arise from the elimination of profits and losses resulting from intragroup transactions.

iv) Use of Estimates :

The preparation of financial statements in conformity with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the results of operations during the reporting period end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Difference between actual and estimates are recognized in the period in which the results are known/materialised.

In the assessment of the Company, the most significant effects of use of judgments and/or estimates on the amounts recognized in the financial statements are in respect of the following:

- Useful lives of property, plant & equipment;
- Valuation of inventories;
- Assets and obligations relating to employee benefits;
- Evaluation of recoverability of deferred tax assets; and
- Provisions and Contingencies
- Recognition of revenue and allocation of transaction price
- Current tax expense and current tax payable

v) Current and non-current classification:

The Company presents assets and liabilities in the balance sheet based on current / non-current classification. An asset is classified as current when it satisfies any of the following criteria: it is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle.

- It is expected to be realized within 12 months after the reporting date; or
- It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.
- All other assets are classified as non-current.

A liability is classified as current when it satisfies any of the following criteria:

- It is expected to be settled in the Company's normal operating cycle;
- It is held primarily for the purpose of being traded
- It is due to be settled within 12 months after the reporting date; or the Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.
- All other liabilities are classified as non-current.
- Deferred tax assets and liabilities are classified as non-current only

vi) Fair value measurement

The Company measures financial instruments such as derivatives and certain investments, at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability or,
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest.

A fair value measurement of a non-financial asset takes into account a market participant’s ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

vii) Property, plant and equipment & Depreciation :

Property, plant and equipment are stated at cost, net of recoverable taxes, less accumulated depreciation and impairment losses if any. Such cost included purchase price, borrowing cost and other cost directly attributable to the acquisition of the items. All other repairs and maintenance are charged to the Statement Profit and Loss during the reporting period in which they are incurred.

Capital work-in-progress includes cost of property, plant and equipment under installation/ under development as at the balance sheet date and are carried at cost, comprising of direct cost and directly attributable cost incurred. Depreciation is not charged until such assets are ready for commercial use.

Depreciation is provided on fixed assets used during the year as per Straight Line Method on the basis of useful life of assets and residual value as specified in schedule II of the Companies Act, 2013 except on few assets, where different life has been estimated by the management where assets are for specific project. Depreciation on additions or sale/discard of asset is being provided on pro-rata basis from the date on which such asset is ready to be put to use to date of sale/discard.

The Company provides depreciation on property, plant and equipment using the Straight Line Method. The rates of depreciation are arrived at, based on useful lives estimated by the management as follows:

Block of assets	Estimated useful life (in years)
Office Buildings	15-60
Office equipment	3-10
Furniture and fixtures	3-15
Computer and peripherals	3-10
Vehicles	5-20

The residual value are not more than 5% of original cost of asset. The Asset residual values and useful life are reviewed and adjusted if appropriate, at the end of each reporting period. Gains and losses on disposal are determined by comparing proceeds with carrying amount. These are included in Statement of Profit and Loss.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

viii) Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost.

Following initial recognition, intangible assets are carried at cost less accumulated amortisation and accumulated impairment losses, if any.

The useful lives of intangible assets are assessed as either finite or indefinite. There are no intangible assets assessed with indefinite useful life.

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired.

The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets with finite lives is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset. Gain or losses arising from the derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognised.

Intangible assets are amortised on straightline basis as follows:

Block of assets	Estimated useful life (in years)
Computer softwares	3-6

ix) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(i) Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Group commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade and other receivables.

- Debt instrument at fair value through other comprehensive income (FVTOCI)

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- (a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- (b) The asset's contractual cash flows represent SPPI.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognised in the other comprehensive income (OCI). However, the Group recognises interest income, impairment losses & reversals and foreign exchange gain or loss in the P&L. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to P&L. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

-Debt instrument at fair value through profit and loss (FVTPL)

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorisation as at amortised cost or as FVTOCI, is classified as at FVTPL. In addition, the Group may elect to designate a debt instrument, which otherwise meets amortised cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). The Group has not designated any debt instrument as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognised in the P&L.

- Equity investments

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognised by an acquirer in a business combination to which Ind AS 103 applies are classified as at FVTPL. For all other equity instruments, the Group may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value, the Group makes such election on an instrument by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Group decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognised in the OCI. There is no recycling of the amounts from OCI to statement of profit and loss, even on sale of investment. However, the Group may transfer the cumulative gain or loss within equity. Equity instruments included within the FVTPL category are measured at fair value with all changes recognised in the statement of profit and loss.

Derecognition

A financial asset (or, where applicable, apart of a financial asset or part of a Group of similar financial assets) is primarily derecognised (i.e. removed from the Group's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- the Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows.

(ii) Financial liabilities**Initial recognition and measurement**

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Group's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

-Financial Liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Group that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments. Gains or losses on liabilities held for trading are recognised in the statement of profit and loss. Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains / losses attributable to changes in own credit risk are recognised in OCI. These gains / loss are not subsequently transferred to statement of profit and loss. However, the Group may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss. The Group has not designated any financial liability as at fair value through profit and loss.

- Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in statement of profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by considering any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

- Financial guarantee contracts

Financial guarantee contracts issued by the Group are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

(iv) Reclassification of financial assets

The Group determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Group's senior management determines change in the business model as a result of external or internal changes which are significant to the Group's operations. Such changes are evident to external parties. A change in the business model occurs when the Group either begins or ceases to perform an activity that is significant to its operations. If the Group reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Group does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

(v) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

x) Compound financial instruments

Compound Financial instruments are separated into liability and equity components based on the terms of the contract. On issuance of the compound financial instruments, the fair value of the liability component is determined using a market rate for an equivalent non-convertible instrument. This amount is classified as a financial liability measured at amortised cost (net of transaction costs) until it is extinguished on conversion or redemption. The remainder of the proceeds is allocated to the conversion option that is recognised and included in equity since conversion option meets Ind AS 32 criteria for fixed to fixed classification. Transaction costs are deducted from equity, net of associated income tax. The carrying amount of the conversion option is not remeasured in subsequent years.

Transaction Costs are apportioned between the liability and equity components of the compound financial instruments based on the allocation of proceeds to the liability and equity components when the instruments are initially recognised.

xi) Segment Reporting

The company's Business Segment is 'Computers & IT Services' and it has no other primary reportable segments. Geographical revenues are segregated based on the location of the customer who is invoiced or in relation to which the revenue is otherwise recognized. Customer relationships are driven based on the location of the respective clients. Company's business activities outside India are spread mainly in United Kingdom, USA, Canada & France. Hence, there are two reportable segments of company viz., Domestic & Exports.

xii) Investment in subsidiaries, associates, and joint venture

The Company has accounted for its investment in subsidiaries or associates or joint venture at cost less impairment. The Company assesses investments in subsidiaries, associates and joint venture for impairment whenever events or changes in circumstances indicate that the carrying amount of the investment may not be recoverable. If any such indication exists, the Company estimates the recoverable amount of the investment in subsidiary, associate or joint venture. The recoverable amount of such investment is the higher of its fair value less cost of disposal (FVLCD) and its value-in-use (VIU). The VIU of the investment is calculated using projected future cash flows. If the recoverable amount of the investment is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the statement of profit and loss.

Investment in a subsidiary or an associate or a joint venture acquired in stages are accounted after re-measuring the equity interest held up to the date on which control or significant influence was first achieved, at its fair value on date of obtaining control or significant influence.

xiii) Inventories :

Inventories are valued at the lower of cost and net realisable value. Costs incurred in bringing the inventory to its present location and condition are included in the cost of inventories.

Hardware and Supplies

Carried at lower of cost and net realisable value. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

xiv) Cash and Cash Equivalents:

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents.

Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

xv) Cashflows

Cash Flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated. The Company considers all highly liquid investments that are readily convertible to known amounts of cash to be cash equivalents.

xvi) Borrowing costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. Other borrowing costs are expensed in the period in which they are incurred and are recognised in the statement of profit and loss.

xvii) Employee benefits

(a) Short-term obligations

Liabilities for wages and salaries, including nonmonetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. These liabilities are presented as current liabilities in the balance sheet.

(b) Other long-term employee benefit obligations

The liabilities for earned leave and sick leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

(c) Post-employment obligations

The Company operates the following postemployment schemes:

- (a) defined benefit plans such as gratuity; and
- (b) defined contribution plans such as provident fund, employees state insurance taxes.

Gratuity obligations

The liability or asset recognised in the balance sheet in respect of defined benefit pension and gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation denominated in is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. The benefits which are denominated in currency other than ` , the cash flows are discounted using market yields determined by reference to high-quality corporate bonds that are denominated in the currency in which the benefits will be paid, and that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in OCI. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in statement of profit and loss as past service cost.

Defined contribution plans

The Company pays provident fund and employees state insurance contributions to publicly administered provident funds as per local regulations. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

(d) Share-based payments Employee Benefits in Foreign Branch

In respect of employees in foreign branch, necessary provisions are made based on the applicable local laws. Gratuity and leave encashment / entitlement as applicable for employees in foreign branch are provided on the basis of actuarial valuation and based on estimates.

(e) Share-based payments

Share-based compensation benefits are provided to employees via the Employee Option Plan.

Employee option Plan

The fair value of options granted under the Employee Option Plan is recognised as an employee benefits expense with a corresponding increase in equity. The total amount to be expensed is determined by reference to the fair value of the options granted:

- including any market performance conditions
- excluding the impact of any service and nonmarket performance vesting conditions, and
- including the impact of any non-vesting conditions.

The total expense is recognised over the vesting period, which is the period over which all of the specified vesting conditions are to be satisfied.

At the end of each period, the entity revises its estimates of the number of options that are expected to vest based on the non-market vesting and service conditions. It recognises the impact of the revision to original estimates, if any, in statement of profit and loss, with a corresponding adjustment to equity.

xviii) Investments :

Investments are classified as Current Investments and non-current Investments. The investments that are readily realizable and intended to be held for not more than a year are classified as current investments. Current Investments are stated at lower of cost and net realizable value. A provision for diminution is made to recognize a decline, other than temporary, in the value of Non-current Investments.

xix) Revenue Recognition :**Sale of Services:**

The Company uses the percentage-of-completion method in accounting for its fixed-price contracts. The use of the percentage-of-completion method requires the Company to estimate the efforts or costs expended to date as a proportion of the total efforts or costs to be expended. Efforts or costsexpended have been used to measure progress towards completion as there is a direct relationship between inputand productivity. Provisions for estimated losses, if any, on uncompleted contracts are recorded in the period in which such losses become probable based on the expected contract estimates at the reporting date.

Sale of Goods:

Revenue is measured at the fair value of the consideration received or receivable. The Company recognises revenues on sale of products, net of discounts, sales incentives, rebates granted, returns, sales taxes/GST and duties when the products are delivered to customer or when delivered to a carrier for export sale, which is when title and risk and rewards of ownership pass to the customer. Export incentives are recognised as income as per the terms of the scheme in respect of the exports made and included as part of export turnover.

Dividend and interest income:

Dividend income from investments is recognised when the shareholder’s right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably). Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset’s net carrying amount on initial recognition.

xx) Impairment of Assets :

(i) Financial assets (other than at fair value)

The Company assesses at each date of Balancesheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognises lifetime expected losses for all contract assets and/or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk or the financial asset has increased significantly since initial recognition.

(ii) Non-financial assets

Tangible and intangible assets

Property, plant and equipment and intangible assets within finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the statement of profit and loss.

xxi) Earning per Share :

(i) Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the Company
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares

(ii) Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares

xxii) Provisions, Contingent Liabilities and Contingent Assets :

A provision is recognised when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits and compensated absences) are not discounted to its present value unless the effect of time value of money is material and are determined based on best estimate required to settle the obligation at the Balance sheet date. These are reviewed at each Balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities and Assets are not recognised in the financial statements.

xxiii) Foreign Currency Transactions :

(i) Functional and presentation currency

Items included in the financial statements of the entity are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (₹), which is entity's functional and presentation currency.

(ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in statement of profit or loss. Non monetary assets and liabilities that are measured in terms of historical cost in foreign currencies are not retranslated. Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined.

xxiv) Income taxes**(i) Current income taxes**

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the Group operates and generates taxable income.

Current income tax relating to items recognised outside statement of profit or loss is recognised outside statement of profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate. Advance taxes and provisions for current income taxes are presented in the Balance sheet after off-setting advance tax paid and income tax provision arising in the same tax jurisdiction and where the relevant tax paying units intends to settle the asset and liability on a net basis.

(ii) Deferred income taxes

Deferred income tax is recognised using the Balance sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred income tax asset are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using substantively enacted tax rates expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled.

Deferred tax assets and liabilities are offset when they relate to income taxes levied by the same taxation authority and the relevant entity intends to settle its current tax assets and liabilities on a net basis.

Deferred tax assets include Minimum Alternate Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future economic tax liability. Accordingly, MAT is recognised as deferred tax asset in the Balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realised.

The Group recognises interest levied and penalties related to income tax assessments in finance costs.

xxv) Recent accounting pronouncements:

The Ministry of Corporate Affairs (MCA) notifies new standards or amendments to the existing standards under Companies

(Indian Accounting Standards) Rules as issued from time to time. On September 30, 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, as below :

Ind AS 1, Presentation of Financial Statements – This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and the impact of the amendment is insignificant in the standalone financial statements. Ind AS 8, Accounting Policies, Changes in Accounting Estimates and Errors – This amendment has introduced a definition of 'accounting estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption

of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and there is no impact on its Standalone financial statements. Ind AS 12, Income Taxes – This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and there is no impact on its Standalone financial statements.

SILVER TOUCH TECHNOLOGIES LIMITED (F.Y. 2024-25)

All the title deeds with respect to Immovable Properties are held in the name of the company.

Impairment of Fixed Assets

In accordance with the Accounting Standard (AS-28) on ‘Impairment of Assets’ notified by Companies (Accounting Standards) Rules, 2006, the company has reassessed its fixed assets and is of the view that no further impairment/reversal is considered to be necessary in view of its expected realizable value.

Revaluation Of Fixed Assets:

The company has not revalued any Property, Plant and Equipment during current year.

As per provision of Schedule II of Companies Act, 2013 depreciation is charged on revalued amount in case of above fixed assets which were revalued in past and same is charged against Current Period's profit. Upto FY 2013-14, depreciation on revaluation amount is charged against revaluation reserve and depreciation on historical cost is charged against profit for the Year under review.

Nature and purpose of reserves

(ii) Securities premium

Securities premium reserve is used to record the premium on issue of shares. The reserve is utilised in accordance with the provisions of the Act.

(ii) Retained earnings

The amount that can be distributed by the Company as dividends to its equity shareholders is determined based on the balance in this reserve and also considering the requirements of the Companies Act, 2013.

(iii) General Reserve

General reserve is referred to as the reserve fund that is created by keeping aside a part of profit earned by the business during the course of an accounting period for fulfilling various business needs like meeting contingencies, offsetting future losses, enhancing the working capital, paying dividends to the shareholders, etc.

(iv) Other Comprehensive income

- a) The fair value change of the equity instruments measured at fair value through other comprehensive income is recognised in equity instruments through Other Comprehensive Income.
- b) The remeasurement gain/(loss) on net defined benefit plans is recognised in Other Comprehensive Income net of tax.

Note 40 Management expects that the entire transaction price allotted to the unsatisfied contract as at the end of the reporting period will be recognised as revenue during the next financial year.

Note 41 Segment Reporting

The Holding Company’s Business Segment is ‘Computers & IT Services’ and it has no other primary reportable segments. Geographical revenues are segregated based on the location of the customer who is invoiced or in relation to which the revenue is otherwise recognized. Customer relationships are driven based on the location of the respective clients. Holding Company’s business activities outside India are spread mainly in United Kingdom, USA, Canada, France & The Netherlands. Hence, there are two reportable segment of Holding Company viz., Domestic & Exports.

SILVER TOUCH TECHNOLOGIES LIMITED (F.Y. 2024-25)

5 to 14	10.00% p.a	10.00% p.a
15 & above	10.00% p.a	10.00% p.a

ii) Demographic Assumptions(Mortality Rates)

Particulars	Current Year	Previous Year
20 years	0.09%	0.09%
30 years	0.10%	0.10%
40 years	0.17%	0.17%
50 years	0.44%	0.44%
60 years	1.12%	1.12%

(v) Sensitivity Analysis

Particulars	Current Year	Previous Year
Discount rate Sensitivity		
Increase by 0.5%	528.82	316.40
(% Change)	-2.42%	-3.06%
Decrease by 0.5%	555.79	337.00
(% Change)	2.55%	3.25%
Salary growth rate Sensitivity		
Increase by 0.5%	552.79	335.24
(% Change)	2.00%	2.71%
Decrease by 0.5%	530.90	317.39
(% Change)	-2.04%	-2.64%
Withdrawal rate (W.R.) Sensitivity		
W.R. x 110%	537.48	325.33
(% Change)	-0.83%	-0.33%
W.R. x 90%	546.38	327.29
(% Change)	0.82%	0.27%

(vi) A Description of any Asset-Liability Matching Strategies

i) It was informed by the company that Gratuity Benefits liabilities of the company are Unfunded

ii) There are no minimum funding requirements for a Gratuity Benefits plan and there is no compulsion on the part of the Company to fully or partially pre-fund the liabilities under the Plan.

Since the liabilities are unfunded, there is no Asset-Liability Matching strategy device for the plan resulting into non existence of Plan Assets .

Defined Benefits plan for Leave Encashment

SILVER TOUCH TECHNOLOGIES LIMITED (F.Y. 2024-25)

(Amount in ₹ Lakhs)

Note 44 Ind AS 116 Leases

The Accounting Standard Board has issued an exposure draft on Ind AS 116, Leases, with a proposed effective date of 1st April, 2019, subject to notification by Ministry of Corporate Affairs and Ind AS 116 supersedes Ind AS 17 ‘Leases’. Ind AS 116, “Leases” will be applicable on the companies which are preparing their financial statements as per Ind AS.

Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognise assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. A lessee is required to recognise a right-of-use asset representing its right to use the underlying leased asset and a lease liability representing its obligation to make lease payments.

(Amount in ₹ Lakhs)		
Particulars	Current Year	Previous Year
(i) Not later than a year	0.00	0.00
(ii) Later than a year but not later than five years	0.00	0.00
(iii) More than five years	0.00	0.00
Total	0.00	0.00

Lease payments has been capitalised in CWIP as Project no started yet.

Note 45 Financial instruments**1 Capital management**

The Company manages its capital to ensure that the Company will be able to continue as a going concern while maximising the return to stakeholders through the optimisation of the debt and equity balance.

The capital structure of the Company consists of net debt and total equity of the Company.

Total Financial Liabilities	10293.42	10293.42	5821.43	5821.43

For financial liabilities (domestic currency loans) :- appropriate market borrowing rate of the entity as of each balance sheet date used.

3 Financial risk management objectives

The Company’s Corporate finance department provides services to business, co-ordinates access to domestic and international financial markets, monitors and manages the financial risks relating to the operations of the Company through internal risk reports which analyse the exposures by degree and magnitude of risks. These risks include market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk.

4 Market risk

The Company’s activities expose it primarily to the financial risks of changes in interest rates due to variable interest loans. . The Company does not enter into derivative contracts to manage risks related to anticipated sales and purchases.

5 Foreign currency risk management

The Company undertakes transactions denominated in foreign currencies; consequently, exposures to exchange rate fluctuations arise. Exchange rate exposures are managed within approved policy parameters utilizing forward foreign exchange contracts and currency options taken at the time of initiation of the booking by the management. Such decision is taken after considering the factors such as upside potential, cost of structure and the downside risks etc. Quarterly reports are submitted to Management Committee on the covered and open positions and MTM valuation.

The carrying amounts of the Company’s foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows.

There are no such transactions during the reporting period

5.1 Foreign currency sensitivity analysis

The Company is not materially exposed to USD and EURO currency.

6 Interest rate risk management

The Company is exposed to interest rate risk because funds are borrowed at both fixed and floating interest rates. Interest rate risk is measured by using the cash flow sensitivity for changes in variable interest rate. The Company has exposure to interest rate risk, arising principally on changes in interest rates. The Company uses a mix of interest rate sensitive financial instruments to manage the liquidity and fund requirements for its day to day operations like long term and short term loans. The risk is managed by the Company by maintaining an appropriate mix between fixed and floating rate borrowings. Hedging activities are evaluated regularly to align with interest rate views and defined risk appetite, ensuring the most cost-effective hedging strategies are applied.

The table in 6.1 provides a break-up of the Company’s fixed and floating rate borrowings:

6.1 Interest rate sensitivity analysis

The sensitivity analyses below have been determined based on the exposure to interest rates for both derivatives and non-derivative instruments at the end of the reporting period. For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

The following table provides a break-up of the Company’s fixed and floating rate borrowings and interest rate sensitivity analysis.

(Amount in ₹ Lakhs)				
Particulars	As at March 31, 2025		As at March 31, 2024	
	Gross amount	Interest rate sensitivity @0.50%	Gross amount	Interest rate sensitivity @0.50%
Fixed Loan	80.47	NA	219.51	NA
Variable Loan	4261.55	21.31	860.71	4.30
Total	4342.02	21.31	860.71	4.30

7 Credit risk management

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration risks. The Company has adopted a policy of only dealing with creditworthy counterparties and obtaining sufficient collateral, where appropriate, as a means of mitigating the risk of financial loss from defaults. The Company uses publicly available financial information and its own trading records to rate its major customers. The Company’s exposure and the credit ratings of its counterparties are continuously monitored and the aggregate value of transactions concluded is spread amongst approved counterparties.

Trade receivables consist of a large number of customers, spread across diverse geographical areas. Ongoing credit evaluation is performed on the financial condition of accounts receivable.

The Company does not have significant credit risk exposure to any single counterparty. Concentration of credit risk related to the above mentioned company did not exceed 10% of gross monetary assets at any time during the year. Concentration of credit risk to any other counterparty did not exceed 10% of gross monetary assets at any time during the year.

7.1 Collateral held as security and other credit enhancements

The Company does not hold any collateral or other credit enhancements to cover its credit risk associated with its financial assets.

8 Liquidity risk management

Liquidity risk refers to the risk of financial distress or extraordinary high financing costs arising due to shortage of liquid funds in a situation where business conditions unexpectedly deteriorate and requiring financing. Ultimate responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework for the management of the Company’s short, medium and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

9 Disclosure as per Ind AS 113 - Fair Value Measurements

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in an orderly transaction in the principal (or most advantageous) market at measurement date under the current market condition regardless of whether that price is directly observable or estimated using other valuation techniques.

The Company has established the following fair value hierarchy that categorizes the values into 3 levels. The inputs to valuation techniques used to measure fair value of financial instruments are:

Level 1- Level 1 hierarchy includes financial instruments measured using quoted prices. This Includes listed equity instruments that have quoted price. Listed and actively traded equity instruments are stated at the last quoted closing price on the National Stock Exchange of India Limited (NSE).

Level 2- The fair value of financial instruments that are not traded in active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3- If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. The fair value of the financial assets and liabilities included in Level 3 is determined in accordance with generally accepted pricing models based on discounted cash flow analysis using prices from observable current market transactions and dealer quotes of similar instruments.

Valuation Techniques used to determine fair values:

A) Specific valuation technique is used to determine the fair value of the financial instruments which include:

i) For financial instruments other than (ii):- In accordance with generally accepted pricing models based on Net Asset Value analysis using prices from observable market transactions and dealer quotes of similar instruments.

ii) For financial liabilities (domestic currency loans) :- appropriate market borrowing rate of the entity as of each balance sheet date used.

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods and its non-derivative financial assets. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay.

Note	54	Ratios are disclosed in next page:

SILVER TOUCH TECHNOLOGIES LIMITED (F.Y. 2024-25)

Note 54 Following ratios are hereby disclosed:

Sr. No	Particulars	(Amount in ₹ Lakhs)		2024-25	2023-24	% Change	Reason for deviation by more than 25%
		2024-25	2023-24				
(a)	Current Ratio,	16424.82	11598.02	1.89	2.84	-33.36	Due to mainly on account of higher short-term borrowings and other current obligations. Although current assets have also increased, the rise in current liabilities has been proportionately higher, resulting in a reduced current ratio.
	Current Assets / Current Liabilities	8675.80	4082.21				
(b)	Debt-Equity Ratio,	4348.30	1097.98	0.33	0.097	234.32	due to a rise in borrowings to meet the funding requirements for business expansion and operational working capital. The shareholders' equity remained relatively constant, leading to a sharp increase in the ratio.
	Non Current Borrowing + Current Borrowing /Shareholder Equity	13370.77	11287.51				
(c)	Debt Service Coverage Ratio,	4084.35	2797.04	1.12	17.73	-93.67	due to increase in interest and principal repayments during the year under review. While operating profits have improved, the higher repayment obligations resulting from new borrowings have led to a decline in the debt service coverage capacity.
	Profit before Tax + Interest on Term Loan & Debentures+Non-cash operating expenses / Interest on Term Loan & Debentures + Principal Repayments made during the period for long term Loans.	3637.45	157.74				
(d)	Net profit ratio, (Profit After Tax/Sales)*100	2146.54 28838.01	1631.01 22430.29	7.44	7.27	2.37	Not Required
(e)	Inventory turnover ratio,	22415.76	17726.40	229.53	230.57	-0.45	Not Required
	Cost of goods sold /Average Inventories	97.66	76.88				
(f)	Trade Receivables turnover ratio, Net Credit Sales/Average Trade Receivable	28838.01 7955.22	22430.29 6045.89	3.63	3.71	-2.29	Not Required
(g)	Trade payables turnover ratio,	4767.96	3237.58	2.54	1.48	71.51	The increase in the trade payables turnover ratio is mainly due to higher net credit purchases during FY 2024-25, coupled with a reduction in average trade payables. This indicates faster payment cycles and improved management of supplier obligations.
	Net Credit Purchase/Average Trade Payables	1875.12	2183.71				
(h)	Net capital turnover ratio, Sales/Average Working Capital	28838.01 3874.51	22430.29 3757.90	7.44	5.97	24.70	Not Required
(i)	Return on Equity Ratio, (PAT/Avg. Eq.Shareholders Fund)*100	2146.54 12329.14	1631.01 9720.44	17.41	16.78	3.76	Not Required
(j)	Return on Capital employed,	3379.32	2300.09	19.48	19.23	1.27	Not Required
	Operating Profits(EBIT)/Capital Employed(Net Assets)*100	17351.24	11959.47				

SILVER TOUCH TECHNOLOGIES LIMITED (F.Y. 2024-25)

Note	55	The company has not undergone through any Scheme of Arrangements that has been approved by the Competent Authority in terms of sections 230 to 237 of the Companies Act, 2013
Note	56	There are no transactions which are not recorded in the books of accounts and that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (such as, search or survey or any other relevant provisions of the Income Tax Act, 1961)
Note	57	The Company has not traded or invested in Crypto currency or Virtual Currency during the financial year.
Note	58	Balances of Secured Loans, unsecured loans, Debtors, Creditors for goods, creditors for expenses, loans and advances and advance from customers are subject to confirmation.
Note	59	The company has credited Rs.2,658.21 Lakhs (previous year Rs.1901.51/- Lakhs) to its revenue in profit and loss statement as Accrued revenue, whose services are already rendered but invoices are made after the balance sheet date but before the reporting date. Such treatment is given as per the various agreement/contracts with client which requires the company to raise invoice in the following month of completion of services. Hence, the company has not made provision for GST liability over the same as on balance sheet date, but company has accounted for the GST liability on such revenue as and when the invoices are generated before the reporting date.
Note	60	Previous year figures are regrouped and rearranged wherever necessary to compare with current year figures.
Note	61	Figures are shown in denomination of lakhs
